AGENDA ACTION ITEM

TOPIC: Approval to Purchase the Freedom Run Initiative

SUBMITTED BY: David R. Canales, Executive Director of Middle School Education

OF: Curriculum and Instruction Department

APPROVED FOR TRANSMITTAL TO SCHOOL BOARD: _____

DATE ASSIGNED FOR BOARD CONSIDERATION: November 19, 2014

Recommendation:

- To purchase Freedom Run, a web-based instructional program, for all 9 middle schools and all Non-Traditional schools. Freedom Run provides a comprehensive TEKS aligned instruction that will assist struggling students, English language learners and special education students, to strengthen their foundational understanding of concepts in U.S. History and to improve their performance on STAAR. The program consists of three components:
 - A. Freedom Run I
 - B. Freedom Run II
 - C. Track Module

Rationale:

- A. Freedom Run 1 provides remediation at the foundational level and targets learning goals from TEA's Unsatisfactory Level Performance Descriptor.
- B. Freedom Run 2 provides practice and reinforcement at the understanding level and targets learning goals from TEA's Satisfactory Level Performance descriptors. The program is designed to ensure students are successful at mastering Level I expectations to ensure that Level II Satisfactory performance is achieved.
- C. The Track Module collects data of student performance as they complete practices, reviews, and assessments which can then be evaluated at the campus and district level. The program identifies student weaknesses and automatically generates questions the student misses to allow for additional practice. Advancement in the program requires mastery of foundational content first. Teachers can also create individualized tests for students based on their needs.

Budgetary Information:

- A. Year 1 = \$250.00 Middle School Program
 - B. Year 2 = \$15,000.00 between Bilingual and Middle School Program
 - C. Year 3 = \$13,000.00 between Bilingual and Middle School Program
- Total \$28,250.00
