

March 2<sup>nd</sup>, 2026

Dear Members of the Nye County School District Board of Trustees,

Please accept this letter as my formal resignation from my position as a Trustee of the Nye County School District Board of Trustees, effective March 2nd, 2026.

Serving the students, families, educators, and staff of Nye County has been one of the most meaningful honors of my professional and personal life. I am deeply grateful for the trust placed in me by the community members of my district and throughout the county. Representing their voices, concerns, and hopes for our schools has been a responsibility I have taken seriously and approached with my very best effort.

I am sincerely thankful to my fellow Board members for your collaboration, thoughtful discussion, and shared commitment to doing what is best for students. I also want to express my appreciation to our district administration and staff, whose dedication, professionalism, and daily work on behalf of children and families often go unseen but never unnoticed. It has been a privilege to work alongside individuals so deeply committed to public education.

After careful reflection, I have decided to step down due to increasing family and professional responsibilities that require greater time and attention at this stage of my life. This decision has not been easy, but it is one I make with confidence that the district will continue moving forward in capable hands.

I remain committed to assisting in a smooth transition and supporting the district in any appropriate way during this process.

Thank you again for the opportunity to serve. It has truly been an honor.

Respectfully,

Bryan Wulfenstein
