

SCHOOL BOARD MEETING REPORT

Board Meeting Date: 7.20.2022 Superintendent: Dave Valenzuela

Administrator/Staff: David Regal

Type of Item: Informational Action

Please state your proposal briefly and clearly. What do you want the board to know, discuss, or decide?

Mr. David Regal is requesting permission from the Board to attend the 76th CEA (Correctional Education Association) International Conference and Training Event from August 28-31, 2022 in Tampa Bay Florida.

Provide history/background information on your proposal:

This opportunity came about from ongoing discussions with Adam Henning (ODE) and other YCEP principals to help network with our state people and other agencies across the country. Adam Henning has attended this conference in the past and knows this is a great opportunity for our YCEP principals. Adam Henning was also able to provide extra funding through Title 1D monies to allow us the opportunity to attend this conference as a YCEP team.

List the advantages of your proposal:

- * Opportunity to network with other agencies and principals that provide education to incarcerated youth
- * This conference is during our Fall break for New Bridge High School, which means no staff no kids at school this week
- * Adam Henning and Sam Ko from ODE will also be attending the conference and other YCEP principals from Oregon

List possible disadvantages of your proposal:

* At this time, there are no disadvantages for this proposal because Adam Henning has provided more money in our Title 1D funds for 2022-2023 for YCEP principals to attend this conference as a team.

List possible alternatives that could also offer a solution to your proposal. Why were they not recommended?

* No other alternatives were proposed from Adam Henning at this time because this is a very specific conference that targets correctional education and is only held once a year.
