		FoodShield		
		Description: *****PER CURRENT NSF GUIDELINES***** ALL FOODSHIELDS ARE QUOTED WITH END PANELS Pricing does not include freight. Items ship FOB BSI LLC. from Denver, CO 80229 - Freight Class 150 z2 Item Log freight B - FoodShield  Description: It is BSI LLC's intention to provide as much labor as possible at the factory to minimize installation time on-site by others. When units are shipped assembled, units shall be shipped in crates that common carrier trailers can accommodate. Units can be shipped in crates, depending on carrier, up to 15 feet long. Please review your food guard lengths on shop drawings. If your jobsite facility cannot receive and/or accommodate these size crates because of elevators or small openings, please contact us so that we may review your food guards for more breaks in the units. When units include any electrical items(i.e., lights, warmers), breaking the foodguards into smaller sections will require additional re- assembly and wire-chase on-site by others. In addition, units that are not straight runs(angled layouts), require breaks at the corners BQ00790607-1  Turtle Lake Wisconsin Schools Page 2 of 2 Final sales price subject to applicable sales tax based on delivery location. Sales tax is waived when a valid resale or sales tax- exempt certificate is submitted to and validated by BSI. for separate crating. These breaks also can require additional assembly and wire-chase on-site by others. In these cases, BSI LLC will not accept any backcharges or deductions for additional time and labor.
