Subject: i-Ready Diagnostic Licenses

I would like to request to be placed on the Curriculum Committee agenda for the August 14, 2023, Board of Education Committee of the Whole meeting with a recommendation to purchase i-Ready diagnostic and instructional licenses. I will be bringing the quote to the meeting.

We utilize i-Ready as a required benchmark assessment with our kindergarten through eighth grade students, three or four times a year, utilizing the results to determine how students are performing and what instructional needs they have. These assessments provide teachers with specific information about students' strengths and weaknesses with grade level standards.

We also would like to purchase several instructional licenses for targeted students, as an intervention to support their growth towards grade level standards.

Thank you for your consideration of this request.
