

Girls Track

Junior High Track wrapped up their season on March 26th at the district meet in La Pryor. Although our season was short, our young ladies showed tremendous growth and performed very well. The 7th grade team placed 6th overall, while the 8th grade girls team finished strong, earning 3rd place as a team.

Our high school Tigerettes have been working hard and are now preparing for their district meet, which will be held in Falls City on April 9th. There have already been some impressive achievements this season, and we are hopeful to qualify a large group for the area meet.

Layla J had a standout performance at the Pirate Relays in Center Point, running a huge personal record of 60.3 in the 400m dash. Anna M has also continued to improve each meet, steadily lowering her times in both the 800m and 1600m runs.

Boys Track

Boys Junior High Track wrapped up their season on March 26th at the district meet in La Pryor. Despite the short season, the boys worked hard, showed tremendous growth and performed very well. The 7th grade team placed 6th overall, while the 8th grade boys team finished on a strong note by earning 3rd place as a team. Bryson Woodson was the district champion in Shot Put, Orion Martinez was the district champion in the 100 meter dash and the 800 meter relay team won 1st place as well.

Our high school boys are consistently improving and also increasing in numbers as more boys are getting excited about joining the track program. The team is preparing for the district meet which will be in Falls City on April 9th. The team is really beginning to hit their stride and filling out all three relays. Some stand out performances from the previous meet include Matthew Schwandner winning the 800 and mile. Jordan Balderas placed second in the 800 as well. Our relays are coming together at the right time and earned 2nd in the 400 and 1600 meter relays.

Softball

The softball team concluded the first round of district games on March 24th, after a win against Charlotte leaving them in a 3 way tie for 3rd place in the district. The team is showing growth and learning their limits and pushing past those limits to be an amazing team. The girls have a spark to play and are ready to compete each time. The girls are ready to start the second round of district games by going to Falls City on April 2nd.

Baseball

Baseball started the second round of district play on March 31st with a loss to Sabinal. The baseball team has been working extremely hard in practice and trying to make self improvement for the future games. The player's growth for the future is very important to us, so we are not trying to focus on our failures this season, but using this as a learning opportunity for our team that will make us stronger for next season. We have 6 more games left in the season and a celebration for our Seniors that have played for 4 years on April 24th.

Golf

This golf season has been a strong and rewarding one for our program. The boys team had an outstanding performance at the district tournament, earning 2nd place overall, with Fabian Rivas also finishing 2nd place individually. This is an impressive accomplishment that reflects hard work and dedication from the boys. As a result, the entire boys team will be advancing to regionals. The girls team also competed with determination and dedication, finishing in 3rd place as a team at district. Annabell Mancha earned the opportunity to advance to regionals individually, representing our girls team with pride. Overall, this season has shown the growth, commitment, and competitive spirit of both our boys and girls golf teams.

Tennis

Competing with grit, determination, and pride, these athletes battled hard all weekend and successfully advanced to the Regional Tennis Tournament, which will take place April 20th-21st in Corpus Christi! The Brackett Tennis Team continues to represent their school and community by demonstrating resilience, sportsmanship, and a strong competitive spirit. Their hard work in practice and commitment to improving their game paid off in a big way, earning them the opportunity to compete at the next level!

Representing Brackett at regionals are:

Boys Singles: Ethan Jackson, Liam Hoehn

Girls Singles: Trinity Denman, Adelina Garza

Mixed Doubles: Caraline Ducharme & Sebastian Gallo

Girls Doubles: Analiese Garcia & Anna Mesa

Boys Doubles: Eli Jackson & Zachary Britton

Congratulations to all of these athletes on a job well done—and good luck in Corpus Christi! 🎾

Congrats to all the other athletes that competed at the District Tournament as well.
