Dear Mr. Nohelty:

PARLIAMENTARIAN
Steve Brunton

PRESIDENT/CEO
Harold Rice, Jr.

In your conversation with Granada Williams, CEDA Head Start Director, it was affirmed that a lease agreement between CEDA and Harvey S.D. #152 has not been executed that extends beyond August 2012. Due to non-renewal of the Head Start grant, CEDA will end its arrangement with the Harvey S.D. to house its Harvey Head Start operations as of the end of this month, July 31, 2014. Please submit any outstanding bills to CEDA as soon as possible to close out July expenses.

It is our understanding that CDI, the Interim Grantee has reached out to you to discuss lease agreements with them which could begin as of August 1, 2014. In the interest of minimizing disruption of services for the Head Start children and families within the community, CEDA supports this transition. However, CEDA is not party to these negotiations. The negotiations are strictly between you and CDI.

CEDA thanks you for the long-standing opportunity to make use of your facility as one of our Head Start locations in order to serve the community of Harvey.
