RECITALS

This Agreement is made under the authority granted to the City and the District pursuant to the Texas Government Code, Chapter 791, known as the INTERLOCAL COOPERATION ACT.

WHEREAS, the citizens of Fort Worth and City's City Council have determined that the security of students is paramount; and

WHEREAS, District wishes to participate in City's School Security Initiative Program through which City provides school security to participating school districts with facilities within the City's city limits using City's police officers;

WHEREAS, City has received funds through the Fort Worth Crime Control and Prevention District to assist in funding the School Security Initiative Program; and

NOW, THEREFORE, in consideration of the mutual covenants, promises and agreements herein expressed, the parties agree as follows:

1. ASSIGNMENT OF POLICE OFFICERS

City, through the commander of City's School Security Initiative Program and in conjunction with District personnel, shall assign police officers to specific schools within the District to provide school security. Assigned officers shall work directly with the District's school principals. Assigned officers shall have the School Security Initiative Program as their primary duty, and will not be regularly assigned additional police duties. City reserves the right, however, to reassign any or all officers temporarily in the event of an emergency or when other circumstances require an enhanced police presence elsewhere in the City and school is not in session. City shall coordinate assignment and duty hours with District. If necessary to handle unplanned absences at schools, officers from units other than the School Security Initiative Program may be assigned temporarily to provide coverage. City shall not provide replacements for officers who are off of work due to occupational injury and the Contract Amount shall not be reduced or amended due to such absence unless agreed by both parties in writing.

2. DUTIES AND RESPONSIBILITIES

City shall provide all law enforcement training and certification, vehicles and police equipment, benefits, and insurance (including liability coverage) provided to all City's police officers assigned to the School Security Initiative Program. District shall provide any radio equipment necessary to allow the assigned officers to communicate with District staff.

3. EMERGENCY REPOSNSE PLANS

The Fort Worth Police Department shall maintain emergency response plans for every school within their jurisdiction. These plans shall be kept confidential within the Fort Worth Police Department for security purposes, but meetings shall be held with authorized representatives of District to provide relevant information and excerpts from the plan necessary for implementation. City's Chief of Police shall designate a commander to be responsible for maintenance and dissemination of these plans.

4. NUMBER OF POLICE OFFICERS

District covenants and agrees to fully cooperate with the City of Fort Worth in the implementation of the School Security Initiative Program within the schools of the District. During the term of this Agreement there shall be five (5) City police officers assigned to the District for the School Security Initiative Program. In addition, there shall be 1 corporal, 5 sergeants, and 1 lieutenant assigned to the School Security Initiative Program which shall be commanded by the police lieutenant. Additional officers will not be provided District during the current school year contract. The District is required to submit a written request for additional Police Officers, to City, nine months prior to the start of a new school year.

5. CONSIDERATION

District shall pay to City \$312,012.00 ("Contract Amount") for City's provision of security services through the School Security Initiative Program. Such Contract Amount is based upon fixed expenditures for personnel costs of police officers assigned to the School Security Initiative Program. The full personnel cost for the command staff is shared by all participating school districts, and the participating school districts pay a prorated amount of the command staff personnel cost based on the number of School Security Initiative Program officers assigned to each participating school district. The personnel costs incurred by the City in this project for the command staff include Base Pay, Salary Increases, Overtime, Longevity Pay, Incentive Pay, Acting Officer Pay, Bilingual Pay, FLSA, Court Attendance Costs, Medicare, Workers Compensation Insurance, Group Health Insurance, and Retirement. In addition, the contract
