

Information Item III-C: Say Something Presentation

Presented by: Gary Ganje, Executive Director of Special Projects

Background:

Gary Ganje, Executive Director of Special Projects, will provide an overview of the Say Something project in District 742. Developed by the Sandy Hook Foundation, Say Something allows students to securely submit anonymous safety concerns - anytime, from anywhere - to help identify and intervene upon at-risk individuals before they hurt themselves or others. Say Something includes easy-to-use reporting technology, ongoing curriculum, and sustainability support.

Administration Recommendation:

Board action is not required.
