Dear Vicksburg Board of Education,

It is my pleasure to inform you of my recommendation to progress the following teachers within their probationary period at Tobey Elementary. We have been very fortunate to have hard-working, dedicated professionals that stay focused on our district-wide mission at Tobey. Please accept the following recommendation.

The following teachers will be progressing to the 5th year of their probationary period:

*Angie Byrne - Second Grade Teacher
Katie Rauhley - First Grade Teacher
Aaron Willett - Special Education Teacher*

The following teachers will be progressing to the 3rd year of their probationary period:

*Sarah Wasson - First Grade Teacher
Chelsea Flickinger - Second Grade Teacher
Brianna Hall - Third Grade Teacher
Tatum Odell - Elementary Physical Education*

The following teacher will be advancing to her 2nd year of her probationary period.

*Tabitha Sears - Kindergarten Teacher
Kristen Shook - Elementary Librarian*

Thank you for your consideration to progress these hard-working professionals.

Sincerely,

Mr. Michael Barwegen
