School Board,

We are looking forward to the final stretch of the school year. We have a lot planned and we are wanting to make some positive memories for our kids as they finish strong. Some highlights coming in May are the visit to COSSA for our 9th/10th grade students that might be interested in attending any of our professional technical offerings next year on May 5th. There is a special Gear up night on that date as well where we are inviting all incoming 9th grade students to attend with their parents to learn about the High School and familiarize themselves. Also, we have our end of the year events and of course graduation highlighting this month's activities. We are already beginning plans for next school year in looking at staffing and class offerings. We are blessed with a strong staff at the high school right now and I couldn't be more happy with teamwork and comradery that we share at HHS.
