1 High School student is attending Brackett Educational Academy and is expected to graduate within the month. There may be additional students transferring to BEA. Our homebound student lost his battle to cancer shortly before Christmas.

Secretaries have been very busy on this workday enrolling three new students to the district that are identified as Special Education. One student has been checked out for Home school. We are still waiting for a migrant student that is SpEd to check in.

Our **Performance Based Monitoring Analysis System** data will be completed by early next week. Main areas of concern this year are SpEd students in ISS compared to non-SpEd students and SpEd students failing math and science TAKS.

Please feel free to contact me with any questions.

Respectfully,
Melanie Jones
