RE: Board Agenda Item

I am submitting this agenda item for your consideration and approval. With the support of our Health teachers and the School Health Advisory Council (SHAC), we are requesting approval to use the Choosing the Best curriculum and several open source online resources in our 4th through 8th Grade health classes. We will have in our syllabus the Choosing the Best curriculum Curriculum Outline and a parent consent form to address any concerns the parents might have on this curriculum. In case there is a concern from a parent on the curriculum content, we have alternative assignments in place for those students.

Your consideration is greatly appreciated. Should you have any questions, please do not hesitate to contact our office.
