2) HR Department Updates:

General Updates:

Human Resources staff have been busy posting and filling positions for next school year, working through retirements and resignations, and processing back pay for settled contracts and more. It has been all hands on deck for several months and everyone on the team has gone the extra mile to help when needed.

One of our Human Resources Assistant, Shaunna Woods resigned on June 10, 2022 to pursue an HR role with the Minnesota Department of Economic Development after serving the District for over 6 ½ years. Shaunna was primarily responsible for managing all substitute, hourly and co-curricular staff hiring processes and was a key employee when the District transitioned HRIS systems. We wish her well in her new endeavor.

Megan Wrazidlo was promoted on May 23, 2022, to serve in the Human Resources Assistant role that supports all Certified staff hiring processes. Megan joined the Human Resources team in March 2022, working at our front desk.

Chelsey Gilmore was hired as a Human Resources Assistant on June 6, 2022. Chelsey comes to the District with a broad background of human resources experience. She will be supporting HRIS functions and assisting with developing a new employee handbook, onboarding and training. We welcome her to the team.

We are in the process of filling the front desk position and hope to have the Human Resources team fully staffed by the end of June.

The School District will have a recruitment booth at the upcoming Juneteenth Celebration on Sunday, June 19, 2022. We are hoping to attract candidates for our paraprofessional, food services, bus driver and maintenance positions. We hope to attend several events through the summer months to promote working for the School District.

The State's application window opened for Frontline Worker Pay on June 8, 2022 and applications will be accepted through July 22, 2022. Notices with information on who may be eligible were sent to all District employees. Schools are included as a frontline sector. The state determines final eligibility of all applicants.

Benefits Updates:

Health Open Enrollment closed and was very smooth considering our new process with the PEIP online portal. New insurance rates will be updated on the June 10th pay period. Retirements and resignations are coming in daily. We are implementing a new 529 College Savings Plan for all employees by mid-summer.

A new employee Health & Wellness benefit was introduced May 19th - the Calm app. Our Calm business account representative said that on average, most businesses have a 15-20% enrollment rate by the end of 30 days. In half that time, we already have 22%. Many positive comments and appreciation. This is a ground level, self-care tool that will undoubtedly improve our district's culture.

Food and Supplies availability:

Supply chain issues continue to affect our ability to get products. Paper goods and food supplies are sometimes unavailable and have all gone up in price. We continue to find suitable substitutions so that students will still get a nutritional lunch and breakfast. The USDA outlook appears to see this trend continue through the summer months and into the Fall.

USDA Audit:

Child Nutrition completed an onsite comprehensive 2-day USDA Audit. The Audit concluded with minimal findings. The reviewer was very complementary of foods offered, especially the wide variety of fresh fruits and vegetable. She also commented on the employees in all aspects of the program working diligently and with positive attitudes to assure the students have a great dining experience.

Summer Meals:

Summer meals will begin 6/20/22 and run through 8/19/22 at Lincoln Park, Stowe, Laura MacArthur, Myers Wilkins, Piedmont and Lowell. Child Nutrition will also partner with community groups, as they have in the past to provide meals for children in programming across the city. (Example: Boy and Girls Club, AICHO, etc.)

Breakfast and lunch will be served inside the school cafeterias. Meals are free for children 18 and under.

Dairy Bid:

The Dairy Bid was sent to Kemps and Deans Foods. Deans Foods didn't submit a bid. Kemps will have the Dairy bid for School year 22-23, with option to renew 23-24.

Bread Bid:

Bread Bids were sent to 3 companies, Bimbo Bakeries, Great Harvest Bread Company, Pan-O-Gold Baking Company. Great Harvest Bread Company did not submit a bid. Pan-O-Gold will have the Bread bid for 22-23 school year, with option to renew 23-24.

Transportation Report

May 2022 Activities

The ISD #709 Transportation department manages both a district owned fleet of vehicles and district employees, including bus drivers, monitors, and mechanics, along with the coordination of contracted transportation services through Voyageur Bus Company.

The Transportation department uses Versatrans as its student transportation software. The department is busy building and/or updating about 434 routes, many field trips and coordinating with Voyageur. We are building and implementing summer routing in coordination with program leaders (ESY, Excel, Day Treatmens etc.) We are still waiting on some programs to get us information so we can build those routes. There are *many* updates daily.

- 79 trips happened in May, 2022
- 71 scheduled so far for June, 2022

There have been no recently hired drivers. COVID continues to be a concern, due to quarantine time.

As of February 7th 2022, the FMCSA has instituted the ELDT program for entry level drivers. This is a far more complex system than the previous and has required that Steven Johnson take lead on training since this is a new system and the protocol needs to be set. Also, since the ELDT requires that anyone training other drivers have a license the same or better than the one they are teaching for, this has removed a trainer as our router/trainer (Tobin) has not made that deadline.

In terms of COVID response, drivers have access to a Hudson sprayer with Virex to be used between routes for disinfection. Additionally, they have alcohol wipes for their own disinfection purposes. All drivers have access to two electrostatic sprayers as well.

The Transportation Department is pleased to announce the replacement of one engine as we await final approval for the purchase of two new buses.

Routine general bus maintenance is ongoing (wiring/electrical, brakes, stop arms, belts, etc.). Maintenance on non-transportation vehicles “under 5” has begun. A&B scheduled maintenance inspection continues as well. Replacement of DEF Catalyst chamber on two vehicles took place in May as well.

The average fleet age is 6.9 years. Current average mileage is 77,250 (goal is 50,000 – 60,000).

Revenue Budget Summary - Fiscal Year 2023 (FY23)

General Fund

Overview/Definitions:

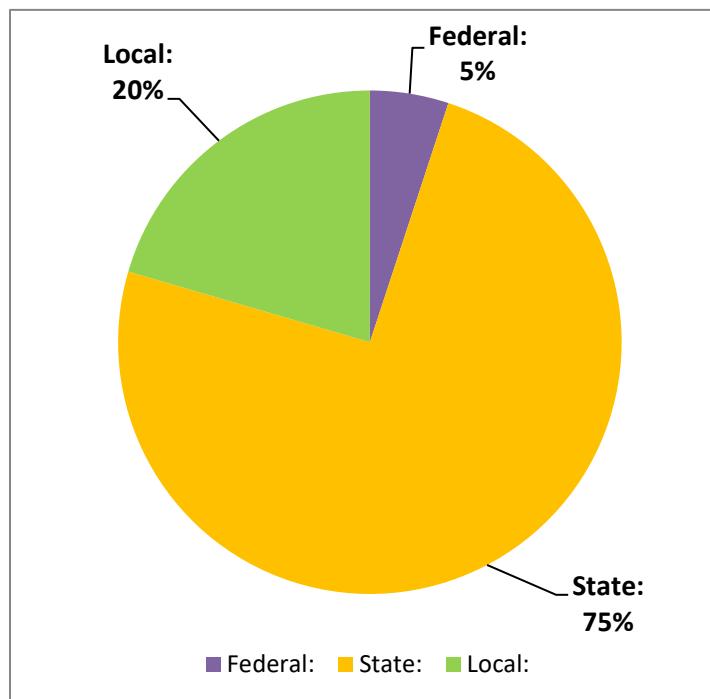

General Fund includes General (01), Transportation (03), and Operating Capital (05).

Within the General and Operating Capital funds, certain revenues will have reserve requirements.

The process for General Fund Revenue budgeting will include projecting and analyzing current Federal, State, and Local revenues along with forecasting legislative or local district changes to revenues.

Current estimated INITIAL GENERAL FUND Revenues for FY23:

Federal:	\$ 5,738,555.00
State:	\$ 84,606,948.66
Local:	\$ 23,254,914.51
	\$ 113,600,418.17

Initial Budget Assumptions:

Basic Formula Allowance remains at \$6,863 but MAY change with legislation. This includes a 2% increase based on 2021 Legislation.

Pupil Counts are projected lower in FY23 compared to the FY21 budgeted enrollment, projected at 7,985 Adjusted Average Daily Membership (ADM) - this is an increase of approximately 100 students compared to final FY21.

Categorical Revenues are estimated at FY22 levels unless other information is known.

Federal Title program revenue estimates are projected to be similar to FY22 based on projections due to Free & Reduced counts.

Other local revenues are estimated by prior year funding amounts.

NOTES:

* Local revenue includes property tax levy, miscellaneous tax revenues, county apportionment, tuition, fees, admissions, medical assistance, interest earnings, rent, gifts & bequests, insurance recovery, sale of materials and equipment, and other miscellaneous revenues.

* State revenue includes payments by the MN Dept. of Education, and other state agencies.

* Federal revenue includes aids awarded through state agencies or directly from federal sources.

General Fund

Preliminary Budget Considerations - Expenses

Salaries, Wages, and Benefits were adjusted based on average contractual increases and projected FY22 staffing changes (retirements) currently known. Upcoming negotiations may impact this category.

The FY23 budget includes estimated impacts of labor negotiations.

A \$1.2 million transfer from General to LTFM was done in FY22 to balance the General Fund. Original use of LTFM funds is for building and facilities improvements. This will continue in FY23.

Planning for HR department staffing changes, along with considerations for strategic planning and other district planning initiatives are included in this budget.

Any potential property sales are not included in this budget. Should there be a sale, statute requires a deposit into the operating capital reserve. Funds will be reviewed and reserved.

This budget includes the continued investment in Special Education that started in FY20, but may adjust.

Projected Compensatory revenue is currently lower by \$300,000. Legislation may change this.

Administrator will be recommending changes in Compensatory allocation changes.

The use of ESSER funds will be determined after the regular operational budget is reviewed and built.
One-time funds may fill gaps or create short-term initiatives to address district goals.

Special Education funding is still being reviewed, with consideration for impacts of tuition billing.

This budget is PRELIMINARY and subject to change.

Reductions may be required.

Research continues to highlight the importance of principal performance for student learning. Through our professional learning, we will focus with you on critical practices for Leading Equitable Schools. Using the research-based 4 Dimensions of School Leadership as a guide for reflection, equity-driven leaders will develop knowledge, mindsets, and skills for how to privilege student experience in new ways, strengthen self-awareness of how bias and privilege influences collective leadership, and build a foundation for collective efficacy towards more equitable school practices.

This approach follows from CEL's theory of action that student social, emotional, and academic learning will not improve until the quality of teaching improves, and that the quality of teaching will not improve until leaders understand what constitutes high-quality instruction and learning environments, along with the role leaders play in improving instructional practice, learning environments, and student learning.

Partnership outcomes

Participants will develop:

- New ways to privilege student, parent and community voices regarding the experiences they have and want to have in school
- Draft visions of equitable student experiences, learning opportunities, teaching practices, and teacher learning experiences that address the needs of all learners, and particularly those students furthest from justice
- A shared understanding of why building teacher collective efficacy can lead to more equitable school practices
- Deeper reflective practice that emphasizes self-awareness and identification of biases, privilege and power dynamics

District reserves the right to offset any overpayment or disallowance of any item or items at any time under this Agreement by reducing future payments to Contractor. This clause shall not be construed to bar any other legal remedies District may have to recover funds expended by Contractor for disallowed costs.

12. Modification or Amendment. No amendment, change or modification of this Agreement shall be valid unless in writing signed by the parties' hereto.

13. Governing Laws. This Agreement, together with all its paragraphs, terms and provisions is made in the State of Minnesota and shall be construed and interpreted in accordance with the laws of the State of Minnesota.

14. Compliance with Laws. The Contractor shall comply with all governing laws, rules and regulations, whether federal, state, local or those of the District. Those governing laws include but are not limited to Minnesota Statute 16C.05 (5) (formerly 1998 Minnesota Laws Ch. 386, Art. 1 Section 6) which Statute presently provides that the books, records, documents and accounting procedures and practices of the vendor or other party, that are relevant to the Contractor transaction, are subject to examination by the contracting agency and either the legislative auditor or the state auditor, as appropriate, for a minimum of six years. General Instructions

Section references are to the Internal Revenue Code unless otherwise noted.

Purpose of Form

A person who is required to file an information return with the IRS must obtain your correct taxpayer identification number (TIN) to report, for example, income paid to you, real estate transactions, mortgage interest you paid, acquisition or abandonment of secured property, cancellation of debt, or contributions you made to an IRA.

Use Form W-9 only if you are a U.S. person (including a resident alien), to provide your correct TIN to the person requesting it (the requester) and, where applicable, to:

1. Certify that the TIN you are giving is correct (or you are waiting for a number to be issued),
2. Certify that you are not subject to backup withholding, or
3. Claim exemption from backup withholding if you are a U.S. exempt payee. If applicable, you are also certifying that as a U.S. person, your allocable share of any partnership income from a U.S. trade or business is not subject to the withholding tax on foreign partners' share of effectively connected income.

Note. If a requester gives you a form other than Form W-9 to request your TIN, you must use the requester's form if it is substantially similar to this Form W-9.

Definition of a U.S. person. For federal tax purposes, you are considered a U.S. person if you are:

- An individual who is a U.S. citizen or U.S. resident alien,
- A partnership, corporation, company, or association created or organized in the United States or under the laws of the United States,
- An estate (other than a foreign estate), or
- A domestic trust (as defined in Regulations section 301.7701-7).

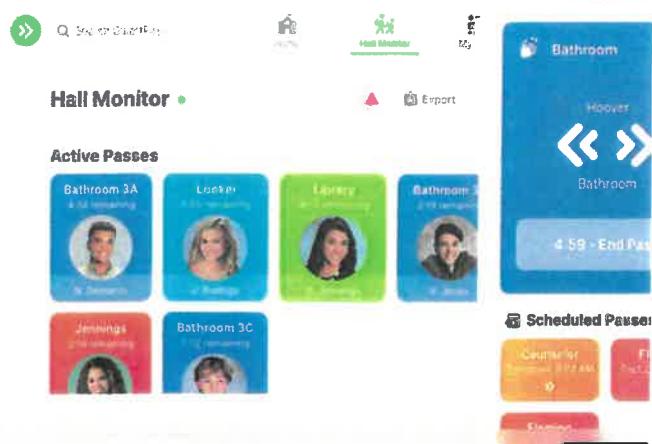

Special rules for partnerships. Partnerships that conduct a trade or business in the United States are generally required to pay a withholding tax on any foreign partners' share of income from such business. Further, in certain cases where a Form W-9 has not been received, a partnership is required to presume that a partner is a foreign person, and pay the withholding tax. Therefore, if you are a U.S. person that is a partner in a partnership conducting a trade or business in the United States, provide Form W-9 to the partnership to establish your U.S. status and avoid withholding on your share of partnership income.

3. **Ownership.**
 - 3.1 We retain all ownership and intellectual property rights to the SaaS Services, the Tyler Software, and anything developed by us under this Agreement. You do not acquire under this Agreement any license to use the Tyler Software in excess of the scope and/or duration of the SaaS Services.
 - 3.2 The Documentation is licensed to you and may be used and copied by your employees for internal, non-commercial reference purposes only.
 - 3.3 You retain all ownership and intellectual property rights to the Data. You expressly recognize that except to the extent necessary to carry out our obligations contained in this Agreement, we do not create or endorse any Data used in connection with the SaaS Services.
4. **Restrictions.** You may not: (a) make the Tyler Software or Documentation resulting from the SaaS Services available in any manner to any third party for use in the third party's business operations; (b) modify, make derivative works of, disassemble, reverse compile, or reverse engineer any part of the SaaS Services; (c) access or use the SaaS Services in order to build or support, and/or assist a third party in building or supporting, products or services competitive to us; or (d) license, sell, rent, lease, transfer, assign, distribute, display, host, outsource, disclose, permit timesharing or service bureau use, or otherwise commercially exploit or make the SaaS Services, Tyler Software, or Documentation available to any third party other than as expressly permitted by this Agreement.
5. **Software Warranty.** We warrant that the Tyler Software will perform without Defects during the term of this Agreement. If the Tyler Software does not perform as warranted, we will use all reasonable efforts, consistent with industry standards, to cure the Defect in accordance with the maintenance and support process set forth in Section C(9), below, the SLA and our then current Support Call Process.
6. **SaaS Services.**
 - 6.1 Our SaaS Services are audited at least yearly in accordance with the AICPA's Statement on Standards for Attestation Engagements ("SSAE") No. 18. We have attained, and will maintain, SOC 1 and SOC 2 compliance, or its equivalent, for so long as you are timely paying for SaaS Services. Upon execution of a mutually agreeable Non-Disclosure Agreement ("NDA"), we will provide you with a summary of our compliance report(s) or its equivalent. Every year thereafter, for so long as the NDA is in effect and in which you make a written request, we will provide that same information.

- 6.2 You will be hosted on shared hardware in a Tyler data center or in a third-party data center. In either event, databases containing your Data will be dedicated to you and inaccessible to our other customers.
- 6.3 Our Tyler data centers have fully-redundant telecommunications access, electrical power, and the required hardware to provide access to the Tyler Software in the event of a disaster or component failure. In the event any of your Data has been lost or damaged due to an act or omission of Tyler or its subcontractors or due to a defect in Tyler's software, we will use best commercial efforts to restore all the Data on servers in accordance with the architectural design's capabilities and with the goal of minimizing any Data loss as greatly as possible. In no case shall the recovery point objective ("RPO") exceed a maximum of twenty-four (24) hours from declaration of disaster. For purposes of this subsection, RPO represents the maximum tolerable period during which your Data may be lost, measured in relation to a disaster we declare, said declaration will not be unreasonably withheld.
- 6.4 In the event we declare a disaster, our Recovery Time Objective ("RTO") is twenty-four (24) hours. For purposes of this subsection, RTO represents the amount of time, after we declare a disaster, within which your access to the Tyler Software must be restored.
- 6.5 We conduct annual penetration testing of either the production network and/or web application to be performed. We will maintain industry standard intrusion detection and prevention systems to monitor malicious activity in the network and to log and block any such activity. We will provide you with a written or electronic record of the actions taken by us in the event that any unauthorized access to your database(s) is detected as a result of our security protocols. We will undertake an additional security audit, on terms and timing to be mutually agreed to by the parties, at your written request. You may not attempt to bypass or subvert security restrictions in the SaaS Services or environments related to the Tyler Software. Unauthorized attempts to access files, passwords or other confidential information, and unauthorized vulnerability and penetration test scanning of our network and systems (hosted or otherwise) is prohibited without the prior written approval of our IT Security Officer.
- 6.6 We test our disaster recovery plan on an annual basis. Our standard test is not client-specific. Should you request a client-specific disaster recovery test, we will work with you to schedule and execute such a test on a mutually agreeable schedule. At your written request, we will provide test results to you within a commercially reasonable timeframe after receipt of the request.
- 6.7 We will be responsible for importing back-up and verifying that you can log-in. You will be responsible for running reports and testing critical processes to verify the returned Data.
- 6.8 We provide secure Data transmission paths between each of your workstations and our servers.
- 6.9 Our data centers are accessible only by authorized personnel with a unique key entry. All other visitors must be signed in and accompanied by authorized personnel. Entry attempts to the data center are regularly audited by internal staff and external auditors to ensure no unauthorized access.

6.10 Where applicable with respect to our applications that take or process card payment data, we are responsible for the security of cardholder data that we possess, including functions relating to storing, processing, and transmitting of the cardholder data and affirm that, as of the Effective Date, we comply with applicable requirements to be considered PCI DSS compliant and have performed the necessary steps to validate compliance with the PCI DSS. We agree to supply the current status of our PCI DSS compliance program in the form of an official Attestation of Compliance, which can be found at <https://www.tylertech.com/about-us/compliance>, and in the event of any change in our status, will comply with applicable notice requirements.

SECTION C – PROFESSIONAL SERVICES

1. Professional Services. We will provide you the various implementation-related services itemized in the Investment Summary and described in our industry standard implementation plan. We will finalize that documentation with you upon execution of this Agreement.
2. Professional Services Fees. You agree to pay us the professional services fees in the amounts set forth in the Investment Summary. Those amounts are payable in accordance with our Invoicing and Payment Policy. You acknowledge that the fees stated in the Investment Summary are good-faith estimates of the amount of time and materials required for your implementation. We will bill you the actual fees incurred based on the in-scope services provided to you. Any discrepancies in the total values set forth in the Investment Summary will be resolved by multiplying the applicable hourly rate by the quoted hours.
3. Additional Services. The Investment Summary contains, and Exhibit D – Work Responsibilities describes, the scope of services and related costs (including programming and/or interface estimates) required for the project based on our understanding of the specifications you supplied. If additional work is required, or if you use or request additional services, we will provide you with an addendum or change order, as applicable, outlining the costs for the additional work. The price quotes in the addendum or change order will be valid for thirty (30) days from the date of the quote.
4. Cancellation. If travel is required, we will make all reasonable efforts to schedule travel for our personnel, including arranging travel reservations, at least two (2) weeks in advance of commitments. Therefore, if you cancel services less than two (2) weeks in advance (other than for Force Majeure or breach by us), you will be liable for all (a) non-refundable expenses incurred by us on your behalf, and (b) daily fees associated with cancelled professional services if we are unable to reassign our personnel. We will make all reasonable efforts to reassign personnel in the event you cancel within two (2) weeks of scheduled commitments.
5. Services Warranty. We will perform the services in a professional, workmanlike manner, consistent with industry standards. In the event we provide services that do not conform to this warranty, we will re-perform such services at no additional cost to you.
6. Site Access and Requirements. At no cost to us, you agree to provide us with full and free access to your personnel, facilities, computer network, and equipment as may be reasonably necessary for us to provide implementation services, subject to any reasonable security protocols or other written policies provided to us as of the Effective Date, and thereafter as mutually agreed to by you and us.

7. Background Checks. For at least the past twelve (12) years, all of our employees have undergone criminal background checks prior to hire. All employees sign our confidentiality agreement and security policies.
8. Client Assistance. You acknowledge that the implementation of the Tyler Software is a cooperative process requiring the time and resources of your personnel. You agree to use all reasonable efforts to cooperate with and assist us as may be reasonably required to meet the agreed upon project deadlines and other implementation obligations, including, without limitation, those set forth in Exhibit D. This cooperation includes at least working with us to schedule the implementation-related services outlined in this Agreement. We will not be liable for failure to meet any deadlines and milestones when such failure is due to Force Majeure or to the failure by your personnel to provide such cooperation and assistance (either through action or omission).
9. Maintenance and Support. For so long as you timely pay your SaaS Fees according to the Invoicing and Payment Policy, then in addition to the terms set forth in the SLA and the Support Call Process, we will:
 - 9.1 perform our maintenance and support obligations in a professional, good, and workmanlike manner, consistent with industry standards, to resolve Defects in the Tyler Software (subject to any applicable release life cycle policy);
 - 9.2 provide support during our established support hours;
 - 9.3 maintain personnel that are sufficiently trained to be familiar with the Tyler Software and Third Party Software, if any, in order to provide maintenance and support services;
 - 9.4 make available to you all releases to the Tyler Software (including updates and enhancements) that we make generally available without additional charge to customers who have a maintenance and support agreement in effect; and
 - 9.5 provide non-Defect resolution support of prior releases of the Tyler Software in accordance with any applicable release life cycle policy.

We will use all reasonable efforts to perform support services remotely. Currently, we use a third-party secure unattended connectivity tool called Bomgar, as well as GoToAssist by Citrix. Therefore, you agree to maintain a high-speed internet connection capable of connecting us to your PCs and server(s). You agree to provide us with a login account and local administrative privileges as we may reasonably require to perform remote services. We will, at our option, use the secure connection to assist with proper diagnosis and resolution, subject to any reasonably applicable security protocols. If we cannot resolve a support issue remotely, we may be required to provide onsite services. In such event, we will be responsible for our travel expenses, unless it is determined that the reason onsite support was required was a reason outside our control. Either way, you agree to provide us with full and free access to the Tyler Software, working space, adequate facilities within a reasonable distance from the equipment, and use of machines, attachments, features, or other equipment reasonably necessary for us to provide the maintenance and support services, all at no charge to us. We strongly recommend that you also maintain your VPN for backup connectivity purposes.

For the avoidance of doubt, SaaS Fees do not include the following services: (a) onsite support (unless Tyler cannot remotely correct a Defect in the Tyler Software, as set forth above); (b) application design; (c) other consulting services; or (d) support outside our normal business hours as listed in our then-current Support Call Process. Requested services such as those outlined in this section will be billed to you on a time and materials basis at our then current rates. You must request those services with at least one (1) week's advance notice.

10. Expiration of Services. Training services for which payment has been made that are not used prior to twenty-four (24) months from the Effective Date of the Agreement shall expire without refund or credit of fees paid to Client.

SECTION D – THIRD PARTY PRODUCTS

1. Third Party Hardware. We will sell, deliver, and install onsite the Third Party Hardware, if you have purchased any, for the price set forth in the Investment Summary. Those amounts are payable in accordance with our Invoicing and Payment Policy.
2. Third Party Software. If you have purchased any Third Party Software, as part of the SaaS Services, you will receive access to the Third Party Software and related documentation for internal business purposes only. Your rights to the Third Party Software will be governed by the Third Party Terms.
3. Third Party Products Warranties. The following terms apply to Third Party Products you have purchased, if any, under this Agreement.
 - 3.1 We are authorized by each Developer to grant access to the Third Party Software.
 - 3.2 The Third Party Hardware will be new and unused, and upon payment in full, you will receive free and clear title to the Third Party Hardware.
 - 3.3 You acknowledge that we are not the manufacturer of the Third Party Products. We do not warrant or guarantee the performance of the Third Party Products. However, we grant and pass through to you any warranty that we may receive from the Developer or supplier of the Third Party Products.
4. Third Party Services. If you have purchased Third Party Services, those services will be provided independent of Tyler by such third party at the rates set forth in the Investment Summary and in accordance with our Invoicing and Payment Policy.

SECTION E – INVOICING AND PAYMENT; INVOICE DISPUTES

1. Invoicing and Payment. We will invoice you the SaaS Fees and fees for other professional services in the Investment Summary per our Invoicing and Payment Policy, subject to Section E(2).
2. Invoice Disputes. If you believe any delivered software or service does not conform to the warranties in this Agreement, you will provide us with written notice within thirty (30) days of your receipt of the applicable invoice. The written notice must contain reasonable detail of the issues you contend are in dispute so that we can confirm the issue and respond to your notice with either a justification of the invoice, an adjustment to the invoice, or a proposal addressing the issues

presented in your notice. We will work with you as may be necessary to develop an action plan that outlines reasonable steps to be taken by each of us to resolve any issues presented in your notice. You may withhold payment of the amount(s) actually in dispute, and only those amounts, until we complete the action items outlined in the plan. If we are unable to complete the action items outlined in the action plan because of your failure to complete the items agreed to be done by you, then you will remit full payment of the invoice. We reserve the right to suspend delivery of all SaaS Services, including maintenance and support services, if you fail to pay an invoice not disputed as described above within fifteen (15) days of notice of our intent to do so.

SECTION F – TERM AND TERMINATION

1. Term. The initial term of this Agreement is three (3) years, commencing on the first day of the first month following connectivity to the software, unless earlier terminated as set forth below. Upon expiration of the initial term, this Agreement will renew automatically for additional one (1) year renewal terms at our then-current SaaS Fees unless terminated in writing by either party at least sixty (60) days prior to the end of the then-current renewal term. The foregoing notwithstanding, the initial term for Tyler Drive SaaS commences upon availability of the applicable SaaS Services. Your right to access or use the Tyler Software and the SaaS Services will terminate at the end of this Agreement.
2. Termination. This Agreement may be terminated as set forth below. In the event of termination, you will pay us for all undisputed fees and expenses related to the software, products, and/or services you have received, or we have incurred or delivered, prior to the effective date of termination. Disputed fees and expenses in all terminations other than your termination for cause must have been submitted as invoice disputes in accordance with Section E(2).
 - 2.1 Failure to Pay SaaS Fees. You acknowledge that continued access to the SaaS Services is contingent upon your timely payment of SaaS Fees. If you fail to timely pay the SaaS Fees, we may discontinue the SaaS Services and deny your access to the Tyler Software. We may also terminate this Agreement if you don't cure such failure to pay within forty-five (45) days of receiving written notice of our intent to terminate.
 - 2.2 For Cause. If you believe we have materially breached this Agreement, you will invoke the Dispute Resolution clause set forth in Section H(3). You may terminate this Agreement for cause in the event we do not cure, or create a mutually agreeable action plan to address, a material breach of this Agreement within the thirty (30) day window set forth in Section H(3).
 - 2.3 Force Majeure. Either party has the right to terminate this Agreement if a Force Majeure event suspends performance of the SaaS Services for a period of forty-five (45) days or more.
 - 2.4 Lack of Appropriations. If you should not appropriate or otherwise make available funds sufficient to utilize the SaaS Services, you may unilaterally terminate this Agreement upon thirty (30) days written notice to us. You will not be entitled to a refund or offset of previously paid, but unused SaaS Fees. You agree not to use termination for lack of appropriations as a substitute for termination for convenience.

SECTION G – INDEMNIFICATION, LIMITATION OF LIABILITY AND INSURANCE

1. Intellectual Property Infringement Indemnification.

- 1.1 We will defend you against any third-party claim(s) that the Tyler Software or Documentation infringes that third party's patent, copyright, or trademark, or misappropriates its trade secrets, and will pay the amount of any resulting adverse final judgment (or settlement to which we consent). You must notify us promptly in writing of the claim and give us sole control over its defense or settlement. You agree to provide us with reasonable assistance, cooperation, and information in defending the claim at our expense.
- 1.2 Our obligations under this Section G(1) will not apply to the extent the claim or adverse final judgment is based on your use of the Tyler Software in contradiction of this Agreement, including with non-licensed third parties, or your willful infringement.
- 1.3 If we receive information concerning an infringement or misappropriation claim related to the Tyler Software, we may, at our expense and without obligation to do so, either: (a) procure for you the right to continue its use; (b) modify it to make it non-infringing; or (c) replace it with a functional equivalent, in which case you will stop running the allegedly infringing Tyler Software immediately. Alternatively, we may decide to litigate the claim to judgment, in which case you may continue to use the Tyler Software consistent with the terms of this Agreement.
- 1.4 If an infringement or misappropriation claim is fully litigated and your use of the Tyler Software is enjoined by a court of competent jurisdiction, in addition to paying any adverse final judgment (or settlement to which we consent), we will, at our option, either: (a) procure the right to continue its use; (b) modify it to make it non-infringing; or (c) replace it with a functional equivalent. This section provides your exclusive remedy for third party copyright, patent, or trademark infringement and trade secret misappropriation claims.

2. General Indemnification.

- 2.1 We will indemnify and hold harmless you and your agents, officials, and employees from and against any and all third-party claims, losses, liabilities, damages, costs, and expenses (including reasonable attorney's fees and costs) for (a) personal injury or property damage to the extent caused by our negligence or willful misconduct; or (b) our violation of PCI-DSS requirements or a law applicable to our performance under this Agreement. You must notify us promptly in writing of the claim and give us sole control over its defense or settlement. You agree to provide us with reasonable assistance, cooperation, and information in defending the claim at our expense.
- 2.2 To the extent permitted by applicable law, you will indemnify and hold harmless us and our agents, officials, and employees from and against any and all third-party claims, losses, liabilities, damages, costs, and expenses (including reasonable attorney's fees and costs) for (a) personal injury or property damage to the extent caused by your negligence or willful misconduct; or (b) your violation of a law applicable to your performance under this Agreement. We will notify you promptly in writing of the claim and will give you sole control over its defense or settlement. We agree to provide you with reasonable assistance, cooperation, and information in defending the claim at your expense.

3. **DISCLAIMER.** EXCEPT FOR THE EXPRESS WARRANTIES PROVIDED IN THIS AGREEMENT AND TO THE MAXIMUM EXTENT PERMITTED BY APPLICABLE LAW, WE HEREBY DISCLAIM ALL OTHER WARRANTIES AND CONDITIONS, WHETHER EXPRESS, IMPLIED, OR STATUTORY, INCLUDING, BUT NOT LIMITED TO, ANY IMPLIED WARRANTIES, DUTIES, OR CONDITIONS OF MERCHANTABILITY OR FITNESS FOR A PARTICULAR PURPOSE.
4. **LIMITATION OF LIABILITY.** EXCEPT AS OTHERWISE EXPRESSLY SET FORTH IN THIS AGREEMENT, OUR LIABILITY FOR DAMAGES ARISING OUT OF THIS AGREEMENT, WHETHER BASED ON A THEORY OF CONTRACT OR TORT, INCLUDING NEGLIGENCE AND STRICT LIABILITY, SHALL BE LIMITED TO YOUR ACTUAL DIRECT DAMAGES, NOT TO EXCEED (A) DURING THE INITIAL TERM, AS SET FORTH IN SECTION F(1), TOTAL FEES PAID AS OF THE TIME OF THE CLAIM; OR (B) DURING ANY RENEWAL TERM, THE THEN-CURRENT ANNUAL SAAS FEES PAYABLE IN THAT RENEWAL TERM. THE PARTIES ACKNOWLEDGE AND AGREE THAT THE PRICES SET FORTH IN THIS AGREEMENT ARE SET IN RELIANCE UPON THIS LIMITATION OF LIABILITY AND TO THE MAXIMUM EXTENT ALLOWED UNDER APPLICABLE LAW, THE EXCLUSION OF CERTAIN DAMAGES, AND EACH SHALL APPLY REGARDLESS OF THE FAILURE OF AN ESSENTIAL PURPOSE OF ANY REMEDY. THE FOREGOING LIMITATION OF LIABILITY SHALL NOT APPLY TO CLAIMS THAT ARE SUBJECT TO SECTIONS G(1) AND G(2).
5. **EXCLUSION OF CERTAIN DAMAGES.** TO THE MAXIMUM EXTENT PERMITTED BY APPLICABLE LAW, IN NO EVENT SHALL WE BE LIABLE FOR ANY SPECIAL, INCIDENTAL, PUNITIVE, INDIRECT, OR CONSEQUENTIAL DAMAGES WHATSOEVER, EVEN IF WE HAVE BEEN ADVISED OF THE POSSIBILITY OF SUCH DAMAGES.
6. **Insurance.** During the course of performing services under this Agreement, we agree to maintain the following levels of insurance: (a) Commercial General Liability of at least \$1,000,000; (b) Automobile Liability of at least \$1,000,000; (c) Professional Liability of at least \$1,000,000; (d) Workers Compensation complying with applicable statutory requirements; and (e) Excess/Umbrella Liability of at least \$5,000,000. We will add you as an additional insured to our Commercial General Liability and Automobile Liability policies, which will automatically add you as an additional insured to our Excess/Umbrella Liability policy as well. We will provide you with copies of certificates of insurance upon your written request.

SECTION H – GENERAL TERMS AND CONDITIONS

1. **Additional Products and Services.** You may purchase additional products and services at the rates set forth in the Investment Summary for twelve (12) months from the Effective Date by executing a mutually agreed addendum. If no rate is provided in the Investment Summary, or those twelve (12) months have expired, you may purchase additional products and services at our then-current list price, also by executing a mutually agreed addendum. The terms of this Agreement will control any such additional purchase(s), unless otherwise specifically provided in the addendum.
2. **Optional Items.** Pricing for any listed optional products and services in the Investment Summary will be valid for twelve (12) months from the Effective Date.
3. **Dispute Resolution.** You agree to provide us with written notice within thirty (30) days of becoming aware of a dispute. You agree to cooperate with us in trying to reasonably resolve all disputes, including, if requested by either party, appointing a senior representative to meet and engage in

good faith negotiations with our appointed senior representative. Senior representatives will convene within thirty (30) days of the written dispute notice, unless otherwise agreed. All meetings and discussions between senior representatives will be deemed confidential settlement discussions not subject to disclosure under Federal Rule of Evidence 408 or any similar applicable state rule. If we fail to resolve the dispute, then the parties shall participate in non-binding mediation in an effort to resolve the dispute. If the dispute remains unresolved after mediation, then either of us may assert our respective rights and remedies in a court of competent jurisdiction. Nothing in this section shall prevent you or us from seeking necessary injunctive relief during the dispute resolution procedures.

4. **Taxes.** The fees in the Investment Summary do not include any taxes, including, without limitation, sales, use, or excise tax. If you are a tax-exempt entity, you agree to provide us with a tax-exempt certificate. Otherwise, we will pay all applicable taxes to the proper authorities, and you will reimburse us for such taxes. If you have a valid direct-pay permit, you agree to provide us with a copy. For clarity, we are responsible for paying our income taxes, both federal and state, as applicable, arising from our performance of this Agreement.
5. **Nondiscrimination.** We will not discriminate against any person employed or applying for employment concerning the performance of our responsibilities under this Agreement. This discrimination prohibition will apply to all matters of initial employment, tenure, and terms of employment, or otherwise with respect to any matter directly or indirectly relating to employment concerning race, color, religion, national origin, age, sex, sexual orientation, ancestry, disability that is unrelated to the individual's ability to perform the duties of a particular job or position, height, weight, marital status, or political affiliation. We will post, where appropriate, all notices related to nondiscrimination as may be required by applicable law.
6. **E-Verify.** We have complied, and will comply, with the E-Verify procedures administered by the U.S. Citizenship and Immigration Services Verification Division for all of our employees assigned to your project.
7. **Subcontractors.** We will not subcontract any services under this Agreement without your prior written consent, not to be unreasonably withheld.
8. **Binding Effect; No Assignment.** This Agreement shall be binding on, and shall be for the benefit of, either you or our successor(s) or permitted assign(s). Neither party may assign this Agreement without the prior written consent of the other party; provided, however, your consent is not required for an assignment by us as a result of a corporate reorganization, merger, acquisition, or purchase of substantially all of our assets.
9. **Force Majeure.** Except for your payment obligations, neither party will be liable for delays in performing its obligations under this Agreement to the extent that the delay is caused by Force Majeure; provided, however, that within ten (10) business days of the Force Majeure event, the party whose performance is delayed provides the other party with written notice explaining the cause and extent thereof, as well as a request for a reasonable time extension equal to the estimated duration of the Force Majeure event.
10. **No Intended Third Party Beneficiaries.** This Agreement is entered into solely for the benefit of you and us. No third party will be deemed a beneficiary of this Agreement, and no third party will have

the right to make any claim or assert any right under this Agreement. This provision does not affect the rights of third parties under any Third Party Terms.

11. Entire Agreement; Amendment. This Agreement represents the entire agreement between you and us with respect to the subject matter hereof, and supersedes any prior agreements, understandings, and representations, whether written, oral, expressed, implied, or statutory. Purchase orders submitted by you, if any, are for your internal administrative purposes only, and the terms and conditions contained in those purchase orders will have no force or effect. This Agreement may only be modified by a written amendment signed by an authorized representative of each party.
12. Severability. If any term or provision of this Agreement is held invalid or unenforceable, the remainder of this Agreement will be considered valid and enforceable to the fullest extent permitted by law.
13. No Waiver. In the event that the terms and conditions of this Agreement are not strictly enforced by either party, such non-enforcement will not act as or be deemed to act as a waiver or modification of this Agreement, nor will such non-enforcement prevent such party from enforcing each and every term of this Agreement thereafter.
14. Independent Contractor. We are an independent contractor for all purposes under this Agreement.
15. Notices. All notices or communications required or permitted as a part of this Agreement, such as notice of an alleged material breach for a termination for cause or a dispute that must be submitted to dispute resolution, must be in writing and will be deemed delivered upon the earlier of the following: (a) actual receipt by the receiving party; (b) upon receipt by sender of a certified mail, return receipt signed by an employee or agent of the receiving party; (c) upon receipt by sender of proof of email delivery; or (d) if not actually received, five (5) days after deposit with the United States Postal Service authorized mail center with proper postage (certified mail, return receipt requested) affixed and addressed to the other party at the address set forth on the signature page hereto or such other address as the party may have designated by proper notice. The consequences for the failure to receive a notice due to improper notification by the intended receiving party of a change in address will be borne by the intended receiving party.
16. Client Lists. You agree that we may identify you by name in client lists, marketing presentations, and promotional materials.
17. Confidentiality. Both parties recognize that their respective employees and agents, in the course of performance of this Agreement, may be exposed to confidential information and that disclosure of such information could violate rights to private individuals and entities, including the parties. Confidential information is nonpublic information that a reasonable person would believe to be confidential and includes, without limitation, personal identifying information (e.g., social security numbers) and trade secrets, each as defined by applicable state law. Each party agrees that it will not disclose any confidential information of the other party and further agrees to take all reasonable and appropriate action to prevent such disclosure by its employees or agents. The confidentiality covenants contained herein will survive the termination or cancellation of this Agreement. This obligation of confidentiality will not apply to information that:
 - (a) is in the public domain, either at the time of disclosure or afterwards, except by breach of this Agreement by a party or its employees or agents;

- (b) a party can establish by reasonable proof was in that party's possession at the time of initial disclosure;
- (c) a party receives from a third party who has a right to disclose it to the receiving party; or
- (d) is the subject of a legitimate disclosure request under the open records laws or similar applicable public disclosure laws governing this Agreement; provided, however, that in the event you receive an open records or other similar applicable request, you will give us prompt notice and otherwise perform the functions required by applicable law.

18. Business License. In the event a local business license is required for us to perform services hereunder, you will promptly notify us and provide us with the necessary paperwork and/or contact information so that we may timely obtain such license.

19. Governing Law. This Agreement will be governed by and construed in accordance with the laws of your state of domicile, without regard to its rules on conflicts of law.

20. Multiple Originals and Authorized Signatures. This Agreement may be executed in multiple originals, any of which will be independently treated as an original document. Any electronic, faxed, scanned, photocopied, or similarly reproduced signature on this Agreement or any amendment hereto will be deemed an original signature and will be fully enforceable as if an original signature. Each party represents to the other that the signatory set forth below is duly authorized to bind that party to this Agreement.

21. Cooperative Procurement. To the maximum extent permitted by applicable law, we agree that this Agreement may be used as a cooperative procurement vehicle by eligible jurisdictions. We reserve the right to negotiate and customize the terms and conditions set forth herein, including but not limited to pricing, to the scope and circumstances of that cooperative procurement.

**Exhibit B
Schedule 1
Business Travel Policy**

1. Air Travel

A. Reservations & Tickets

The Travel Management Company (TMC) used by Tyler will provide an employee with a direct flight within two hours before or after the requested departure time, assuming that flight does not add more than three hours to the employee's total trip duration and the fare is within \$100 (each way) of the lowest logical fare. If a net savings of \$200 or more (each way) is possible through a connecting flight that is within two hours before or after the requested departure time and that does not add more than three hours to the employee's total trip duration, the connecting flight should be accepted.

Employees are encouraged to make advanced reservations to take full advantage of discount opportunities. Employees should use all reasonable efforts to make travel arrangements at least two (2) weeks in advance of commitments. A seven (7) day advance booking requirement is mandatory. When booking less than seven (7) days in advance, management approval will be required.

Except in the case of international travel where a segment of continuous air travel is six (6) or more consecutive hours in length, only economy or coach class seating is reimbursable. Employees shall not be reimbursed for "Basic Economy Fares" because these fares are non-refundable and have many restrictions that outweigh the cost-savings.

B. Baggage Fees

Reimbursement of personal baggage charges are based on trip duration as follows:

- Up to five (5) days = one (1) checked bag
- Six (6) or more days = two (2) checked bags

Baggage fees for sports equipment are not reimbursable.

2. Ground Transportation

A. Private Automobile

Mileage Allowance – Business use of an employee's private automobile will be reimbursed at the current IRS allowable rate, plus out of pocket costs for tolls and parking. Mileage will be calculated by using the employee's office as the starting and ending point, in compliance with IRS regulations. Employees who have been designated a home office should calculate miles from their home.

B. Rental Car

Employees are authorized to rent cars only in conjunction with air travel when cost, convenience, and the specific situation reasonably require their use. When renting a car for Tyler business, employees should select a "mid-size" or "intermediate" car. "Full" size cars may be rented when three or more employees are traveling together. Tyler carries leased vehicle coverage for business car rentals; except for employees traveling to Alaska and internationally (excluding Canada), additional insurance on the rental agreement should be declined.

C. Public Transportation

Taxi or airport limousine services may be considered when traveling in and around cities or to and from airports when less expensive means of transportation are unavailable or impractical. The actual fare plus a reasonable tip (15–18%) are reimbursable. In the case of a free hotel shuttle to the airport, tips are included in the per diem rates and will not be reimbursed separately.

D. Parking & Tolls

When parking at the airport, employees must use longer term parking areas that are measured in days as opposed to hours. Park and fly options located near some airports may also be used. For extended trips that would result in excessive parking charges, public transportation to/from the airport should be considered. Tolls will be reimbursed when receipts are presented.

3. Lodging

Tyler's TMC will select hotel chains that are well established, reasonable in price, and conveniently located in relation to the traveler's work assignment. Typical hotel chains include Courtyard, Fairfield Inn, Hampton Inn, and Holiday Inn Express. If the employee has a discount rate with a local hotel, the hotel reservation should note that discount and the employee should confirm the lower rate with the hotel upon arrival. Employee memberships in travel clubs such as AAA should be noted in their travel profiles so that the employee can take advantage of any lower club rates.

"No shows" or cancellation fees are not reimbursable if the employee does not comply with the hotel's cancellation policy.

Tips for maids and other hotel staff are included in the per diem rate and are not reimbursed separately.

Employees are not authorized to reserve non-traditional short-term lodging, such as Airbnb, VRBO, and HomeAway. Employees who elect to make such reservations shall not be reimbursed.

4. Meals and Incidental Expenses

Employee meals and incidental expenses while on travel status within the continental U.S. are in accordance with the federal per diem rates published by the General Services Administration. Incidental expenses include tips to maids, hotel staff, and shuttle drivers and other minor travel expenses. Per diem rates are available at www.gsa.gov/perdiem.

Per diem for Alaska, Hawaii, U.S. protectorates and international destinations are provided separately by the Department of State and will be determined as required.

A. Overnight Travel

For each full day of travel, all three meals are reimbursable. Per diems on the first and last day of a trip are governed as set forth below.

Departure Day

Depart before 12:00 noon	Lunch and dinner
Depart after 12:00 noon	Dinner

Return Day

Return before 12:00 noon	Breakfast
Return between 12:00 noon & 7:00 p.m.	Breakfast and lunch
Return after 7:00 p.m.*	Breakfast, lunch, and dinner

*7:00 p.m. is defined as direct travel time and does not include time taken to stop for dinner.

The reimbursement rates for individual meals are calculated as a percentage of the full day per diem as follows:

Breakfast	15%
Lunch	25%
Dinner	60%

B. Same Day Travel

Employees traveling at least 100 miles to a site and returning in the same day are eligible to claim lunch on an expense report. Employees on same day travel status are eligible to claim dinner in the event they return home after 7:00 p.m.*

*7:00 p.m. is defined as direct travel time and does not include time taken to stop for dinner.

5. Internet Access – Hotels and Airports

Employees who travel may need to access their e-mail at night. Many hotels provide free high speed internet access and Tyler employees are encouraged to use such hotels whenever possible. If an employee's hotel charges for internet access it is reimbursable up to \$10.00 per day. Charges for internet access at airports are not reimbursable.

6. International Travel

All international flights with the exception of flights between the U.S. and Canada should be reserved through TMC using the "lowest practical coach fare" with the exception of flights that are six (6) or more consecutive hours in length. In such event, the next available seating class above coach shall be reimbursed.

When required to travel internationally for business, employees shall be reimbursed for photo fees, application fees, and execution fees when obtaining a new passport book, but fees related to passport renewals are not reimbursable. Visa application and legal fees, entry taxes and departure taxes are reimbursable.

The cost of vaccinations that are either required for travel to specific countries or suggested by the U.S. Department of Health & Human Services for travel to specific countries, is reimbursable.

Section 4, Meals & Incidental Expenses, and Section 2.b., Rental Car, shall apply to this section.

Exhibit C

Service Level Agreement

I. Agreement Overview

This SLA operates in conjunction with, and does not supersede or replace any part of, the Agreement. It outlines the information technology service levels that we will provide to you to ensure the availability of the application services that you have requested us to provide. All other support services are documented in the Support Call Process.

II. Definitions.

Except as defined below, all defined terms have the meaning set forth in the Agreement.

Attainment: The percentage of time the Tyler Software is available during a calendar quarter, with percentages rounded to the nearest whole number.

Client Error Incident: Any service unavailability resulting from your applications, content or equipment, or the acts or omissions of any of your service users or third-party providers over whom we exercise no control.

Downtime: Those minutes during which the Tyler Software is not available for your use. Downtime does not include those instances in which only a Defect is present.

Service Availability: The total number of minutes in a calendar quarter that the Tyler Software is capable of receiving, processing, and responding to requests, excluding maintenance windows, Client Error Incidents and Force Majeure.

III. Service Availability

The Service Availability of the Tyler Software is intended to be 24/7/365. We set Service Availability goals and measures whether we have met those goals by tracking Attainment.

a. Your Responsibilities

Whenever you experience Downtime, you must make a support call according to the procedures outlined in the Support Call Process. You will receive a support incident number.

You must document, in writing, all Downtime that you have experienced during a calendar quarter. You must deliver such documentation to us within 30 days of a quarter's end.

The documentation you provide must evidence the Downtime clearly and convincingly. It must include, for example, the support incident number(s) and the date, time, and duration of the Downtime(s).

b. Our Responsibilities

When our support team receives a call from you that Downtime has occurred or is occurring, we will work with you to identify the cause of the Downtime (including whether it may be the result of a Client Error Incident or Force Majeure). We will also work with you to resume normal operations.

Upon timely receipt of your Downtime report, we will compare that report to our own outage logs and support tickets to confirm that Downtime for which we were responsible indeed occurred.

We will respond to your Downtime report within 30 days of receipt. To the extent we have confirmed Downtime for which we are responsible, we will provide you with the relief set forth below.

c. Client Relief

When a Service Availability goal is not met due to confirmed Downtime, we will provide you with relief that corresponds to the percentage amount by which that goal was not achieved, as set forth in the Client Relief Schedule below.

Notwithstanding the above, the total amount of all relief that would be due under this SLA per quarter will not exceed 5% of one quarter of the then-current SaaS Fee. The total credits confirmed by us in one or more quarters of a billing cycle will be applied to the SaaS Fee for the next billing cycle. Issuing of such credit does not relieve us of our obligations under the Agreement to correct the problem which created the service interruption.

Every quarter, we will compare confirmed Downtime to Service Availability. In the event actual Attainment does not meet the targeted Attainment, the following Client relief will apply, on a quarterly basis:

Targeted Attainment	Actual Attainment	Client Relief
100%	98-99%	Remedial action will be taken.
100%	95-97%	4% credit of fee for affected calendar quarter will be posted to next billing cycle
100%	<95%	5% credit of fee for affected calendar quarter will be posted to next billing cycle

You may request a report from us that documents the preceding quarter's Service Availability, Downtime, any remedial actions that have been/will be taken, and any credits that may be issued.

IV. Applicability

The commitments set forth in this SLA do not apply during maintenance windows, Client Error Incidents, and Force Majeure.

We perform maintenance during limited windows that are historically known to be reliably low-traffic times. If and when maintenance is predicted to occur during periods of higher traffic, we will provide advance notice of those windows and will coordinate to the greatest extent possible with you.

V. Force Majeure

You will not hold us responsible for not meeting service levels outlined in this SLA to the extent any failure to do so is caused by Force Majeure. In the event of Force Majeure, we will file with you a signed request that said failure be excused. That writing will at least include the essential details and circumstances supporting our request for relief pursuant to this Section. You will not unreasonably withhold its acceptance of such a request.

Issue Handling

Incident Tracking

Every support incident is logged into Tyler's Customer Relationship Management System and given a unique incident number. This system tracks the history of each incident. The incident tracking number is used to track and reference open issues when clients contact support. Clients may track incidents, using the incident number, through the portal at Tyler's website or by calling software support directly.

Incident Priority

Each incident is assigned a priority number, which corresponds to the client's needs and deadlines. The client is responsible for reasonably setting the priority of the incident per the chart below. This chart is not intended to address every type of support incident, and certain "characteristics" may or may not apply depending on whether the Tyler software has been deployed on customer infrastructure or the Tyler cloud. The goal is to help guide the client towards clearly understanding and communicating the importance of the issue and to describe generally expected responses and resolutions.

Priority Level	Characteristics of Support Incident	Resolution Targets
1 Critical	Support incident that causes (a) complete application failure or application unavailability; (b) application failure or unavailability in one or more of the client's remote locations; or (c) systemic loss of multiple essential system functions.	Tyler shall provide an initial response to Priority Level 1 incidents within one (1) business hour of receipt of the support incident. Tyler shall use commercially reasonable efforts to resolve such support incidents or provide a circumvention procedure within one (1) business day. For non-hosted customers, Tyler's responsibility for lost or corrupted Data is limited to assisting the client in restoring its last available database.
2 High	Support incident that causes (a) repeated, consistent failure of essential functionality affecting more than one user or (b) loss or corruption of Data.	Tyler shall provide an initial response to Priority Level 2 incidents within four (4) business hours of receipt of the support incident. Tyler shall use commercially reasonable efforts to resolve such support incidents or provide a circumvention procedure within ten (10) business days. For non-hosted customers, Tyler's responsibility for loss or corrupted Data is limited to assisting the client in restoring its last available database.
3 Medium	Priority Level 1 incident with an existing circumvention procedure, or a Priority Level 2 incident that affects only one user or for which there is an existing circumvention procedure.	Tyler shall provide an initial response to Priority Level 3 incidents within one (1) business day of receipt of the support incident. Tyler shall use commercially reasonable efforts to resolve such support incidents without the need for a circumvention procedure with the next published maintenance update or service pack. For non-hosted customers, Tyler's responsibility for lost or corrupted Data is limited to assisting the client in restoring its last available database.

Priority Level	Characteristics of Support Incident	Resolution Targets
4 Non-critical	Support incident that causes failure of non-essential functionality or a cosmetic or other issue that does not qualify as any other Priority Level.	Tyler shall provide an initial response to Priority Level 4 incidents within two (2) business days. Tyler shall use commercially reasonable efforts to resolve such support incidents, as well as cosmetic issues, with a future version release.

Incident Escalation

Tyler Technology's software support consists of four levels of personnel:

- (1) Level 1: front-line representatives
- (2) Level 2: more senior in their support role, they assist front-line representatives and take on escalated issues
- (3) Level 3: assist in incident escalations and specialized client issues
- (4) Level 4: responsible for the management of support teams for either a single product or a product group

If a client feels they are not receiving the service needed, they may contact the appropriate Software Support Manager. After receiving the incident tracking number, the manager will follow up on the open issue and determine the necessary action to meet the client's needs.

On occasion, the priority or immediacy of a software support incident may change after initiation. Tyler encourages clients to communicate the level of urgency or priority of software support issues so that we can respond appropriately. A software support incident can be escalated by any of the following methods:

- (1) Telephone – for immediate response, call toll-free to either escalate an incident's priority or to escalate an issue through management channels as described above.
- (2) Email – clients can send an email to software support in order to escalate the priority of an issue
- (3) On-line Support Incident Portal – clients can also escalate the priority of an issue by logging into the client incident portal and referencing the appropriate incident tracking number.

Remote Support Tool

Some support calls require further analysis of the client's database, process, or setup to diagnose a problem or to assist with a question. Tyler will, at its discretion, use an industry-standard remote support tool. Support is able to quickly connect to the client's desktop and view the site's setup, diagnose problems, or assist with screen navigation. More information about the remote support tool Tyler uses is available upon request.

Exhibit D

Traversa Work Responsibilities

Mapping

Tyler will provide Client access in Tyler's data center to a digitized map covering the area of the district, and essential roadways outside of the district commonly traveled for in-district students. Client will supply contact information for local GIS agency if available.

Student File Preparation

Tyler will train Client on the ASCII file layout as needed by the Client. During the import process, the student data will pass through a location process in the software.

Editorial Responsibilities

Tyler may periodically require Client to review district data. The timely and accurate review of this data is critical. Client will cause its employees or agents to perform the editing functions timely, accurately and to the best of their ability, and will notify Tyler when corrections are final. The information and data approved following the periodic review stages are the sole responsibility of Client. Alterations later requested or necessary which could have been made as part of this editing process are available in accordance with Section 7 of this Agreement. Tyler shall not be responsible for any failure to meet a written production schedule to the extent such failure is due, in whole or in part, to Client's failure to perform its work responsibilities timely and accurately.

Training

During the course of the Client implementation, Tyler will provide training in the use of the Tyler Software Products (the "Training"). Up to five (5) Client employees may attend the Training. Implementation Training is delivered on-line on weekdays unless the parties agree to other arrangements. Should on-site Training be requested, travel expenses will be charged in accordance with our then-current Business Travel Policy (available upon request). It is understood that the effectiveness of Training depends upon continuous attendance by all trainees, minimum interruptions, and the availability of one or more Client computers connected to Tyler's data center.

Training does not include installation services such as disk formatting, installing operating systems, installing hardware, installing non-Tyler software, equipment repairs or adjustment, or training in the use of Windows, local area networks, peer-to-peer networks, or communications software. Such services must be performed internally or obtained from third parties.

THIS FACILITY USE AGREEMENT ("Agreement") is entered into effective as of 4/19/2022, by and between Regents of the University of Minnesota ("University"), a Minnesota constitutional corporation, and East High School ("Licensee"), a Minnesota Independent School District. The estimated number of people expected to attend the Event is 322. Licensee acknowledges and agrees that University, its agents, employees, invitees, licensees and students may use any portion of the Facility for any purpose whatsoever and at any time during the term of the Agreement, provided that such use shall not unreasonably disturb Licensee's use of the Facility as provided in this Agreement. Licensee shall use the Facility in accordance with the terms and conditions of this Agreement, all University policies and rules, including the Safety of Minors policy, if applicable, and all federal, state and local laws, ordinances, rules and regulations.

- 2. Term.** Licensee is permitted to use the Facility only during the following dates and times:

6/2/2022 from 5pm to 9:30pm

- 3. Fee.** In addition to any other payment Licensee is required to make pursuant to this Agreement, Licensee shall pay University a fee as described on the attached Exhibit A (the "Fee"). The Fee is non-refundable, unless otherwise provided in this Agreement.

- 4. Utilities and Services.** University shall provide maintenance and services to the Facility in accordance with its routine schedule and standards for the Facility. Licensee shall reimburse University for all additional maintenance and services provided at Licensee's request.

- 5. Concessions/Novelties; Food; Beverage.**

5.1 Licensee shall not sell any concessions or novelties on or in the Facility or on any University property without an executed Sales Permit issued by University, which Permit University may grant or withhold in its sole discretion.

5.2 Food may be served on or in the Facility only with the permission of University, and, if required by University, a permit from University's Department of Environmental Health and Safety.

5.3 Licensee shall not sell, distribute, dispense, advertise or promote any non-alcoholic beverage (or permit any other to do the same) without University's written consent, which consent University may condition, grant or withhold in its sole discretion.

5.4 Licensee and/or its caterer may not serve or sell alcoholic beverages at the Facility, unless Licensee receives authorization from the University, containing such terms and conditions as University, in its sole discretion, deems advisable. Such authorization may be granted or withheld at University's sole discretion.

6. Alterations; Signs; Liens. Licensee shall not redecorate, change or alter the Facility, nor shall Licensee display any signs or advertising in or about the Facility, without the prior written consent of University, which consent University may grant or withhold in its sole discretion. Licensee shall not permit to accrue, and shall indemnify University against and hold University harmless from, any liens for labor or materials provided to Licensee, or claimed to have been so provided.

7. Personal Property. Licensee, not University, is responsible for loss of or damage to any personal property of Licensee, its guests, agents, employees or invitees, located within the Facility or on University property, before, during or after the term of the Agreement.

8. Indemnification. Licensee agrees to defend (with counsel reasonably acceptable to University), indemnify, and hold harmless University from and against all claims, actions, damages, judgments, fines, liabilities, and expenses (including attorney's and other professional fees) arising from or in connection with (i) Licensee's use of the Facility and other University property, except to the extent caused by the negligence or intentional misconduct of University; (ii) the negligent or wrongful acts of Licensee's employees, agents, vendors, contractors, or invitees; or (iii) Licensee's failure to perform or comply with any of the covenants, agreements, terms, provisions, conditions, or limitations contained in this Agreement.

9. Insurance. At least 30 days prior to the Event, Licensee shall provide University with a certificate of insurance or other acceptable evidence of insurance coverage as indicated below. - (B) Proof that Licensee has purchased event liability insurance with a minimum limit of \$1,000,000 per occurrence. Licensee may purchase such insurance from the insurer of its choice, or at the following website address: <https://tulip.ajgrms.com>.

(C) State and other governmental agencies that are self-insured shall provide a letter stating that fact and the coverage limits for such insurance on departmental letterhead.

9.2 Workers' Compensation/Employers Liability, if applicable, to the extent required by law.

9.3 All insurance provided under paragraph 9.1(A) and 9.1(B) shall be written by insurance companies with an A.M. Best rating of A-VII or better and licensed and authorized to do business in the State of Minnesota and shall name Regents of the University of Minnesota as an additional insured. The policies shall provide that the insurance coverage shall not be canceled, modified or non-renewed before the end of the term of this Agreement without written notice to University. Licensee shall maintain the insurance(s) described in this paragraph for the entire term of this Agreement.

10. Assignment. Licensee shall not assign its rights under this Agreement without University's prior written consent, which consent University may grant or withhold in its sole discretion.

11. Obligations at End of Agreement. Licensee shall, upon the expiration or earlier termination of this Agreement, cease use of the Facility and leave it in the same good condition as on the initial date of possession by Licensee, normal wear and tear excepted. Property not removed by Licensee will be considered abandoned, and University may dispose of it as it deems expedient without liability to Licensee or others. Licensee shall reimburse University for any and all costs University incurs to repair any damage to the Facility or other University property or equipment arising out of or connected with the Event, unless such damage is caused solely by University, its officers, employees, agents or representatives.

CSforALL Accelerator Working Group Member Memorandum of Understanding

Background

Education in the US is an inherently local endeavor, and CS education must rely on local actors and decision makers in order to reach every learner. Building on insights from our successful programs serving school districts (SCRIPT) and communities (EcosystemsforCS), CSforALL is embarking on a new strategic initiative focused on accelerating the progress of communities within cohorts towards fundamental standards-aligned CS education for all learners, and increased access to interest-driven CS learning opportunities. The Accelerator will impact at least four and up to 10 communities per cohort during a two year period with an intended reach of 2.5M¹ of our nation's youth who currently lack access to equitable CS education by the end of 5 years.

The Opportunity & Timeline

The Accelerator is a cohort-model program designed to engage place-based teams in a 2-year program resulting in (1) **increased awareness** of CSED in the community, (2) **increased capacity** of community institutions to create a healthy ecosystem of opportunities and (3) **increased opportunities and participation** by learners in CSED activities for school-aged children.

The program will have three phases as experienced by communities:

1. Identification and onboarding
2. 6-month cycles of CSforALL led goal setting and activities
3. Transition to self management and a long term plan of action

Phase One

Time: 3 Months (from cohort months -2 to 1)

Activities: Community leaders and CSEd aligned organizations from select places experience outreach and invitation to participate. Clear communication of program goals (see Accelerator Success) and expectations, Identification of backbone organization and planning grant activities.

Success means: A local collective (not individual) is committed to the goals of the program, teams have clear understanding about program scope, responsibilities, and benefits of participating.

¹ The number of youth as of 2021.

Phase Two

Time: 6 month cycles (4 cycles per cohort timeline = 2 years in program)

Activities:

Part I: Landscaping and Goal setting - Teams participate in reflection, landscaping, and goal setting activities to drive action.

Part II: Capacity Building - Teams take action to build capacity and achieve goals

Success means: At the end of 6 months, increased capacity yields increased access to opportunities and participation by students or increased capacity in teachers in next measurement period.

Phase Three

Time: 3 months (final month of program, two months post program)

Activities: CSforALL team members facilitate local ownership of ongoing activities, and ensure continued support for place through general membership/national network activities

Success means: participating organizations (or collective) continue to make commitments (set goals) and build capacity to work towards high quality implementation.

Resources

Community Goals Grants

Funding is available to support community goals determined during accelerator planning cycles, either at an individual community level or to promote collaboration on a common problem of practice across communities (e.g., creation of a landscape report that describes computing education in a community, community summits to convene broad based groups of engaged stakeholders, teacher professional learning, or other small projects). Requests for proposals will be announced as a part of each 6 month program cycle. In order to be eligible for community grants, teams must actively participate in the accelerator activities during the planning cycle for which they are applying. In order to receive community grants, local teams will submit proposals (including budget and implementation goals) during month 3 of each cycle. Proposals are non-competitive but will be reviewed for program alignment and soundness by CSforALL before funds are released. CSforALL staff will collaborate with teams for proposal feedback and resubmission if needed.

A National Network of Resources

CSforALL will leverage our national network of members and resources to connect communities with capacity building resources and opportunities for partnerships based on goals set by individual teams.

Access to the Accelerating Communities Cohort

Communities participating in the Accelerator program will be joined by a cohort of other communities engaged in the same process of data collection, problem identification, goal determination, and capacity building for action. Cohort members will experience peer-to-peer learning via virtual calls, report outs on data, goals, and progress, and highlights of promising practices.

CSforALL Obligations:

1. *Goal Setting.* Set overall goals for place based success and facilitate understanding of those goals in community teams
2. *Resourcing.* Share resources to raise awareness of high quality CS education from national network partners such as NCWIT, Pathfinders & others. Support capacity building through national network partners (curriculum/PD,etc.)
3. *Strategic Planning.* Facilitate strategic planning to ensure community set goals and can leverage national network resources to achieve them
4. *Measurement.* Measure success and hold communities accountable for equitable implementation, especially with regards to sub-populations of interest (nationally defined as girls, Black, indigenous, and hispanic students, and locally defined populations by communities on entry)

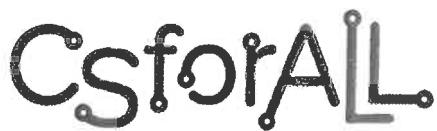

Working Group Member Obligations:

1. *Attendance and Participation.* Have a representative present for all required meetings for the full cohort and engage on a timely basis with fellow cohort and community-level working group members and CSforALL support team as required. Ultimately, your participation should aim to create inclusive standards-complete fundamental learning pathways for 100% of students in formal education systems.
2. *Data & Transparency.* Be willing, authorized and capable of data needed to understand, develop and tell the impact story of your community. Note: Identifiable data will never be shared outside of the cohort without your working group's permission. Please see Exhibit A for examples of the type of information that may be needed. This is not an exhaustive or final list of information sets.
3. *Community-Level Coalition Building.* You know your community best and are encouraged to collaborate with the known and unfamiliar change-agents necessary to advance your local CS education ecosystem. As such, you will play a role in curating and supporting an ecosystem of interest driven deep learning opportunities with enrollment which represents the demographics of the community.
4. *Openness to Leadership.* To build from and continue the work started during the Accelerator Program, all community-level working groups will need to have a lead organizer to continue the work as champion, strategic guide and accountability system. Be open to stepping into this role and/or supporting the leader in creating practices and routines to sustain CS education efforts after the program completes.

5. *Privacy & Confidentiality.* In order for the cohort experience of the Accelerator to be successful, we rely on open exchange of information which relies on a system of trust and confidence. Nothing shared in these sessions may be shared more broadly without express written consent from the person(s) or organization who shared details.

Anticipated Outcomes

- Community teams must be inclusive of formal and informal education systems, as well as community partners and teacher preparation or development organizations. While CSforALL recognizes that teams will change in size and composition based upon local needs and challenges being addressed, it is the expectation that community partners are represented at cycle kick offs, and remain engaged through communication channels throughout the two year program.
- Community teams will participate in monthly virtual calls with CSforALL and other cohort members to engage in a process of data sharing, problem identification, goal setting, and capacity building. CSforALL expects occasional between-cohort meetings based upon the needs of the community and goals set.
- If initial individuals transition away from positions aligned with the accelerator program, CSforALL will work with other community team members to identify appropriate persons or organizations to outreach for maintaining a strong community team.
- Early members of the community team will suggest or share the opportunity to participate with other community stakeholders as appropriate.

EXHIBIT A

CSforALL believes equity is best approached using data. Therefore we ask participants to bring and share data related to their CS education efforts to cohort activities.

In order to measure program impact, CSforALL will ask participants to report data related to implementation measures 2x per year. As well as participate in individual program surveys as appropriate. CSforALL will work to minimize the number of requests and seek to use time within meetings for short formative feedback opportunities whenever possible for program improvement. Any data related to student participation will be collected as aggregate enrollment numbers (disaggregated by gender, race, ethnicity) and not individual student data.

Terms of the Publication Agreement

THIS PUBLICATION AGREEMENT includes the Terms on the front and back of this form and cannot be changed except in writing, signed by the School and Shutterfly Lifetouch, LLC. ("Lifetouch").

LIFETOUCH will provide materials in the form of yearbook kits, layouts, envelopes, instructions and a production schedule for the programs selected to enable the School to prepare its yearbook for printing. The School agrees to prepare and submit all materials, including photographs, graphics and clip art in accordance with the instructions and deadline schedules.

INTERNET-BASED APPLICATION: Some of the Lifetouch products and services are provided through an Internet-based application ("Application"). By selecting an Application, the School authorizes Lifetouch to transmit information, including images, to and from the School and Lifetouch, its affiliated companies, their employees, agents and representatives. The School agrees to comply with the security features of the Application and to protect and control access to the Application, including without limitation, user access credentials.

EMAIL COMMUNICATIONS: Many yearbook communications between Lifetouch and the School will be by email. The Yearbook Adviser email address designated on the front of this Agreement, or such other email address as provided by the School, will be an agreed communication address and communication method. The School agrees to regularly monitor and keep secure the email address and advise Lifetouch promptly of any changes.

PHOTOGRAPHS AND GRAPHICS: Lifetouch reserves the right to crop photographs, graphics, clip art and other materials as deemed necessary by Lifetouch and is not liable for their loss or damage. Lifetouch will make a reasonable effort to return original materials but does not guarantee their return.

PROOFS: So that production will not be delayed, the School agrees to check proofs and return them in the envelope provided or approved via the Web site within 48 hours after receipt. Delay in returning proofs will delay delivery of the yearbooks.

DELIVERY: For on-time delivery, Lifetouch must receive the materials for the correct pages (including cover selection and final order quantity) on or before the deadline dates indicated on the front of this Agreement as may be updated via the Web site. Lifetouch is excused from meeting the requested ship date if pages are not in the plant by the specified deadline date. Handwork in the book or on the cover will require the final deadline to be one week earlier. Books will be shipped to the School.

ADDITIONAL CHARGE ITEMS: The School agrees to pay for artwork provided by Lifetouch, corrective work on School material and non-standard composition or layout. All artwork and custom design work provided by Lifetouch, including any embossing or debossing dies and designs developed at the School's expense, are provided to the School on a nonexclusive basis, and Lifetouch retains all copyrights therein. Charges will be discussed with a School Representative and appear on the final invoice. If the School misses deadline dates and desires to maintain originally-scheduled ship date, the request will be considered based on available capacity. If capacity is available, the School agrees to pay the then current weekly fee.

END USER BOOK SALES: As a convenience to the School, Lifetouch may collect yearbook deposits/payments from end users (parents and students) on the school's behalf. In all cases, the Seller of the yearbook to end users is the School or associated School organization, not Lifetouch. Sales tax may or may not apply depending on applicable state and local laws. The School is solely responsible for collecting and remitting any taxes applicable to yearbook sales to end users.

PAYMENT PLAN: The School is the purchaser of the books. The School agrees to pre-sell all books. The School agrees to pay a minimum deposit of 75% at the time final pages are submitted to Lifetouch's plant. A deposit notice will be sent at the later of on or about October 1 or 30 days after this Agreement has been signed. The deposit must be remitted to Shutterfly Lifetouch, LLC, Accounts Receivable, P.O. Box 46993, Eden Prairie, MN 55344-9728. A final invoice will be sent to the School approximately three days after book shipment. Full payment is due (to above address) within 10 days after books are received at the School. The School agrees to pay a 1% monthly service fee for late payment. If during the manufacturing process overruns are printed, Lifetouch may offer to sell extra yearbooks to the School.

PAYING BY CHECK: When the School pays by check, the School authorizes Lifetouch to process the payment as a check transaction, or to use information from the check to make a one-time electronic fund transfer from the School's checking account. Funds may be withdrawn from the account on the day Lifetouch receives payment, and the financial institution will not return the check. A service fee may be charged on returned checks.

THE SCHOOL grants to Lifetouch and its related companies permission to reproduce, distribute and otherwise use reproductions of the School's materials, including without limitation the cover design and production materials, in sales and promotional literature and as samples, without compensation to the School.

MISC: Lifetouch may assign its rights and obligations hereunder. This Agreement binds and benefits the parties and their respective successors and assigns.

LIFETOUCH reserves the right to refuse to print any material, which in its opinion is tortious, illegal or violates any copyright or proprietary rights. Lifetouch assumes no obligation for reviewing or editing materials submitted by or on behalf of the School.

THE SCHOOL is responsible for the content of the book and materials submitted to Lifetouch for printing. Upon request, the School agrees to obtain such authorizations as considered necessary by Lifetouch. The School releases Lifetouch and, to the extent permitted by applicable law, will indemnify and hold harmless Lifetouch, its affiliated companies, employees, agents and representatives from any and all claims, demands, actions, losses, costs, expenses and reasonable attorney fees arising out of or in connection with the printing of any materials submitted by the School, its faculty, administrators, students, employees, representatives, agents or breach of the School's obligations for Applications.

CANCELLATION: This Agreement is not subjected to cancellation by either party during the term of this Agreement except by written consent of both the School and Lifetouch.

NEITHER PARTY is liable for delays or losses as a result of strikes, accidents, government restrictions, acts of God, acts of war, or other causes beyond its control, and such delays will not constitute a breach of contract.
