

Consider approval of  
construction documents for the District Wide Fencing Project

1. Background:

The SWISD Board of Trustees approved Alamo Architects to provide architectural services for the Southwest District Wide Fencing project.

2. Process:

District staff and Alamo Architects have worked together to identify the program and design needs of the Southwest District Wide Fencing project. Alamo Architects has prepared Construction Documents for this project.

3. Fiscal Impact:

The budget for this project is approximately \$8,500,000. The cost of this project will be funded by the SAFE Grants and 2023 Bond funds.

4. Recommendation:

That the Board approves the Construction Documents that have been presented by Alamo Architects.

5. Required:

Board action.
