

## Adventurous Whimsy- Casual Reading Area

Driven by the feeling to curl up with a book and explore new worlds, the direction of the space takes an energetic, whimsical turn. The space is inspired by the "reading tree" and magical forests so common in children's literature, a tree inspired reading structure helps to reinforce this concept.

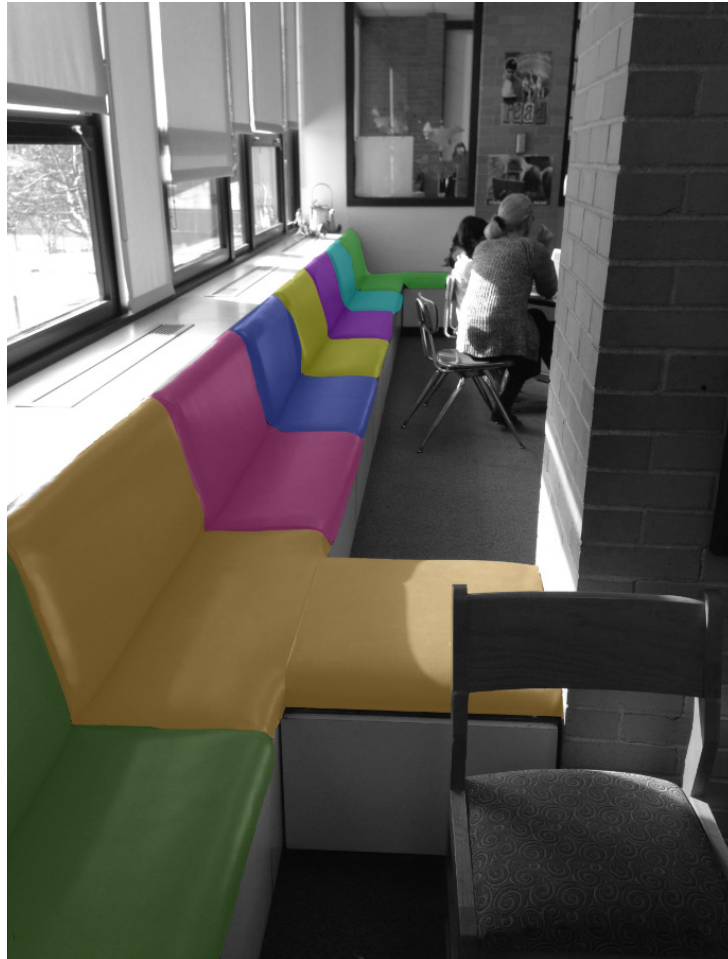

Key Plan

Concept Images

### Birch Play house

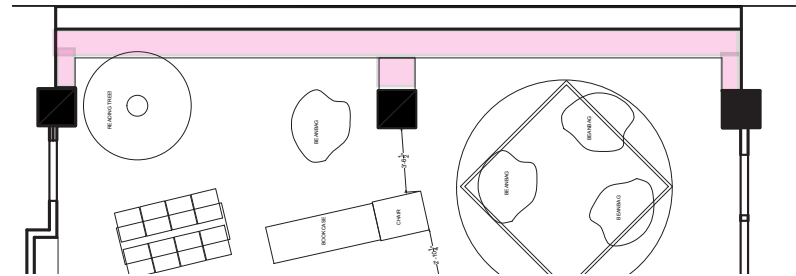

Simple design and construction, the play structure is inspired by trees and provides an interactive environment for children to read within. The structure should inspire a sense of whimsy, escape and creativity.

Concept Image

## Bench Concept

Add impact and interest to the reading bench by mixing durable textiles of different patterns and colors.

Key Plan

Beye School Library- Scope of Work
