

Mission Statement

The Denton ISD Extended School Day program's mission is to ensure our students have the opportunity for educational, recreational, and enrichment programs. This program will provide a supervised environment that promotes educational competence, physical and social development, and community involvement.

ESD Instructors

Mia Taylor
Hawkeye Literacy 2018
2nd Grade Teacher- Bell Elementary

Because of E.S.D., I was able to confidently navigate through student-teaching and go into interviews knowing I had the tools and first-hand experience to be successful. I consider E.S.D. the foundation of my teaching career. And boy, is it a strong foundation! I've continued to grow and learn as an educator. I am very grateful for my experience with Extended School Day. I would not be the teacher I am today without it.
