

Memo

To: Board of Trustees
From: Rob Sauer, Superintendent
Date: June 7, 2017
Re: Superintendent's Board Report

District Updates

- We currently have two teaching positions that are still open. We have an elementary teaching position and a high school Vo-Ag position. We will work to fill those positions as quickly as possible.
- A lot of time is being spent on facilities. The elementary drainage and parking project is starting soon, new carpet for some classrooms, painting of the elementary gym, cleaning of all of the buildings, and exploring future facility projects.
