

2011 – 2012 Sophomore Year Commitment Letter

Print Name: _____ Current Grade: _____

We are thrilled that you have been part of our NTH@C family as a freshman this school year. Your signatures on this form are your formal commitment to attend NTH@C again for the 2011 - 2012 school year, or are your request to transfer to Coppell High School for the 2011 – 2012 school year.

By signing this commitment letter you are committing to either remain at NTH@C for the remainder of your high school career, or are committing to transfer to Coppell High School for the remainder of your high school career. Please see Board Policy FDB (Local) that is attached to and made a part of this letter for additional details.

For learners wishing to transfer to CHS, please be advised that your learner's GPA may be negatively impacted after transferring due to course weight differences between NTH@C and CHS. Also note, that learners choosing to leave NTH@C will not be allowed to transfer back in the future.

RETURNING TO NTH@C

Our signatures below attest that we have read and understand the transfer policy as indicated above and detailed in Board Policy FDB (Local) and **agree to attend NTH@C through the 12th grade. We further understand that this decision can only be revoked by or before June 30, 2011, if a true extenuating circumstance is demonstrated to a CISD review committee. After June 30, 2011, this decision is irrevocable.**
