Site Council further discussed the upcoming learning night. It will be held on Wednesday February 27<sup>th</sup>. The focus will be on math and science. Melisa will be calling the caterpillar bus and one of the stations that evening. Mr. Fuller will start a school wide math fact incentive in January.

Site Council is talking with middle school teachers regarding the career fair. Middle school may invite 5<sup>th</sup> grade to join them. The thought is to have three different community members telling about their careers for 20 minutes, we will do this three times. This will allow students to hear about 9 different careers. Site council has suggested, our local sheriff, a surgical nurse, an electrician, a veterinarian, and a few business owners from the area.

Site Council talked with Mrs. West from Applegate Cafe' and she will be doing cookies in spring with students for the volunteer tea.
