Contract
Employees

A contract employee's pay may be increased after performance on the contract has begun only if authorized by the compensation plan of the District or there is a change in the employee's job assignment or duties during the term of the contract that warrants additional compensation. Any such changes in pay that do not conform with the compensation plan shall require Board approval. [See DEA(LEGAL) for provisions on pay increases and public hearing requirements]

Noncontract

The Superintendent may grant a pay increase to a noncontract employee after duties have begun because of a change in the employee's job assignment or to address pay equity. The Superintendent shall report any such pay increases to the Board at the next regular meeting.

Pay During Closing

During an emergency closure, all employees shall continue to be paid for their regular duty schedule unless otherwise provided by Board action.

Premium Pay
During Disasters

Nonexempt employees who are required to work during an emergency closing for a disaster, as declared by a federal, state, or local official or the Board, shall be paid Premium Pay

defined as pay at a rate of one and one-half times an employee's regular rate of pay for all hours worked up to 40 hours per week. **Overtime for time worked over 40 hours in a week shall be calculated and paid according to law. [See DEAB] The Superintendent or designee shall approve payments and ensure that accurate time records are kept of actual hours worked during emergency closings.**

~~Hourly employees who are authorized to "work from home" during times of closure are not entitled to "premium pay." The only exception is when the Superintendent deems it necessary that essential employees shall work from home to continue the essential operations of the District at times when limited employees are reporting to their work sites.~~

Board Resolution

The Board shall adopt a resolution or take other Board action establishing the purpose and parameters for "Pay During Closing."
