Subject: Public Records Request – District Functional Leadership Contacts  
To: <lcorrea@d56.org>

Dear **Records Officer**,

Pursuant to applicable public records laws, I respectfully request electronic copies of any **existing records** identifying the employee(s) responsible for **leadership, oversight, or coordination** of the following functional areas at the district or central office level:

- **Curriculum & Instruction / Teaching & Learning**
- **Career & Technical Education (CTE) and STEM**
- **English Language Learner (ELL)**
- **Technology / Information Technology / Computer Science**
- **Library / Media Services**
- **Core Academic Subjects**, including:
  - **English Language Arts (ELA)**
  - **Mathematics**
  - **Science**
  - **Social Studies**

For any responsive existing record, please provide the following for the identified employee(s):

- **Full Name**
- **Official Job Title**
- **District-Issued Work Email Address**

If one employee is responsible for multiple areas, please indicate accordingly.

This request is limited to **existing records only** and does not require the creation of a new record. If the requested information is maintained within a staff directory, organizational chart, or similar record, an electronic copy of that record is sufficient.

If no responsive records exist for a listed area, please confirm that in writing.

**Electronic delivery via email is preferred.**

This request is made for non-commercial, informational purposes.

Thank you for your assistance.

Sincerely,

**CT Mills**
