

Minidoka County School District
Attendance Incentive Request Form
Due Date: August 13, 2018

School: Minico Amount Requested: \$2,500.00

Please list what the incentive money was used for (be specific):

Minico High School implemented an attendance incentive program this school year. The program consisted of: 1. Once per month, students with 6 or less absences and 3 or less tardies were given an hour long lunch. 2. Once per month, students with 3 or less absences and 3 or less tardies were eligible for a drawing for (3) \$25 Amazon Gift Cards per grade level.

Do you plan to change usage of money received?

No changes from last year

How do you feel this will increase attendance? The attendance incentive program was successful and attendance at Minico was above the state requirement for most of the year. Students were excited to receive the gift cards and we received positive feedback from students as well as parents.

Here is the comparison for the last two years: 2016: 93% 2017: 91%

How will you measure the impact this has on attendance? We will monitor the attendance this upcoming year and compare that with the previous year. This coupled with the changes in the attendance appeal process should have a very positive impact on attendance. We respectfully request the funding from the district to continue.
