

**DU PAGE ELEMENTARY SCHOOL DISTRICT 13
BOARD OF EDUCATION
Bloomingdale, Illinois
Regular Meeting February 24, 2020**

FOR INFORMATION:

Subject: Superintendent's Report

Board Union Meeting Report –

This is an opportunity for Mr. Moreth and Mr. Boebel to share their experiences with the most recent meeting between the Board and the Bloomingdale Council of Teachers Executive Board on Thursday, February 13th.

Comparative Data Analysis –

I have asked Dr. Waugh to share some data provided by ECRA that does a brief analysis of student performance on the Illinois Assessment of Readiness with districts that have demographic similarities. Dr. Waugh's executive summary, as well as a copy of the report, is attached.

Committee of the Whole -

In March, I would like to convene a Committee of the Whole meeting of the Board of Education to review data and forecast information relevant to the construction of the 2020-2021 School District Budget. Some of the data has been generated for your review and is contained within the blue folders at your seats. In addition to the data review, I will present the Staffing Plan for the District. The Staffing Plan will outline and guide how the District will provide the necessary personnel to address the core values, vision and mission of the organization while addressing the need to firmly balance available financial resources provided in large part from the community.

I have selected Monday, March 16 as the date for consideration of the Committee of the Whole. The meeting would start at 7:00 p.m. and would be structured much like other special meetings the Board has attended in the past. There will be no action items or closed session; rather, this is a working meeting where information is shared and questions can be asked in view of the public that chooses to attend. If this date does not work for the whole Board membership, I will find other dates that week that could work.
