Note: These data are based on the number of students who took the BOY MAP Growth test and obtained a valid RIT score. Projected to: The updated State of Texas Assessments of Academic Readiness linking study released in Summer 2025. View Linking Study: <https://www.nwea.org/resources/texas-linking-study/>. These summaries are based on the student data file downloaded from the NWEA portal on December 9, 2025 and on the revised 2025 NWEA norms and 5 instructional weeks. The timing of the instructional weeks aligns with the updated NWEA guidance on determining the weeks of instruction. * Denotes the number of students tested was less than 5 students.
