BACKGROUND INFORMATION:

We currently have insurance with Texas Schools Property Casualty Cooperative. 2009-10 cost is \$211,483. Renewal cost is \$175,537.

RECOMMENDATION:

Renewal of Property, General Liability, Educators Legal Liability, Crime and Auto Insurance with Texas Schools Property Casualty Cooperative. The only change from current coverage terms would be the "Named Storm" deductible. Ordinary property loss including normal windstorm would retain the same deductibles as currently carried. This one change will allow a reduction in the cost of coverage for Beeville ISD of \$35,946.

BOARD ACTION REQUIRED: Sample Motion

I move the Board approve the insurance renewal with Texas Schools Property Casualty Cooperative.
