A letter from the Principal

May 16, 2025

This was our last Friday of the year! Next week at this time the kids will be with you on their summer vacation.

We had a great Field Day today! Thank you to all of the parents that came out, volunteered, and enjoyed a day with the kids. We have an amazing PE team that put this together to make it a success. Thank you, Coaches Stanley, Edwards, and Petter.

We're wrapping up the year. Next week, we have a Senior Walk, Kindergarten Graduation, and a send off for our fifth graders. See below for all of the details.

Before y'all go off for the summer, please remember to clear any balances you may have with food services and complete your forms for returning to DCES in the fall. Also, any clothing still at the school will be donated, so come get those jackets.

Four more days...

Intent to Return

Filling out the Google Form below is **required for all students**, whether you are **returning or not returning** to JISD for the upcoming school year. This information is essential for planning and, for returning students, it is necessary in order to be **assigned a teacher**. All families must provide **proof of address**. If the proof of address is not in the parent or guardian's name, **an affidavit will be required**. Please **call the DCES Registrar's Office** to discuss the next steps in this process. We're here to help make it as smooth as possible.

Verify Unexcused Absences

Double Creek Parents,

As we approach the last couple days of school, I want to highly encourage you to verify any unexcused absences for the school year and send your parent notes. If you have any questions about your student's attendance, please let me know as soon as possible.

Please check your parent portal for absence dates and email me if you see any discrepancies.

Thank you !

Padres de Double Creek,

Con la llegada de los últimos días de clases, les recomiendo encarecidamente que revisen sus ausencias injustificadas del año escolar y presenten sus justificaciones. Si tienen alguna pregunta sobre la asistencia de su hijo/a, por favor, avísenme lo antes posible.

Attendance Matters!

Our goal this year is to have at least a **96% Student Attendance Average**. But this can only happen with your support!

Reminder: The attendance bell rings at **9:20 AM**.

Absences Notes: When a student is absent, the student must bring a note to the attendance office within **three days of the absence**. After three days, parent notes may not be accepted and the absences will be considered unexcused. A **maximum of three (3) parent notes per semester** will be accepted as excused.

Regular school attendance is essential for a student to make the most of his or her education to benefit from teacher led and school activities, to build each day's learning on the previous day's, and to grow as an individual.

SRP Information

Below is the Standard Response Protocol flyer with information on the language used during emergencies. There is also a link included with more information about the SRP flyer.

[SRP Information Link](#)

**STANDARD
RESPONSE PROTOCOL**

INFORMATION FOR PARENTS AND GUARDIANS
Our school has adopted The "I Love U Guys" Foundation's Standard Response Protocol (SRP). Students and staff will be training, practicing, and drilling the protocol.

COMMON LANGUAGE
The Standard Response Protocol (SRP) is based on an all-hazards approach as opposed to individual scenarios. Like the Incident Command System (ICS), SRP utilizes clear common language while allowing for flexibility in protocol.

The premise is simple - there are five specific actions that can be performed during an incident. When communicating these, the action is labeled with a "Term of Art" and is then followed by a "Directive." Execution of the action is performed by active participants, including students, staff, teachers and first responders. The SRP is based on the following actions: Hold, Secure, Lockdown, Evacuate, and Shelter.

LOCKDOWN
"Locks, Lights, Out of Sight"

Students are trained to:

- Move away from sight
- Maintain silence
- Do not open the door

Adults and staff are trained to:

- Recover students from hallway if possible
- Lock the classroom door
- Turn out the lights
- Move away from sight
- Maintain silence
- Do not open the door
- Prepare to evade or defend

EVACUATE
"To a Location"

Students are trained to:

- Leave stuff behind if required to
- If possible, bring their phone
- Follow instructions

Adults and staff are trained to:

- Bring roll sheet and Go Bag (unless instructed not to bring anything with them, dependent on reason for evacuation.)
- Lead students to Evacuation location
- Account for students and adults
- Report injuries or problems using Red Card/Green Card method.

HOLD
"In Your Classroom or Area"

Students are trained to:

- Clear the hallways and remain in their area or room until the "All Clear" is announced
- Do business as usual

Adults and staff are trained to:

- Close and lock the door
- Account for students and adults
- Do business as usual

SECURE
"Get Inside. Lock outside doors"

Students are trained to:

- Return to inside of building
- Do business as usual

Adults and staff are trained to:

- Bring everyone indoors
- Lock the outside doors
- Increase situational awareness
- Account for students and adults
- Do business as usual

SHELTER
"State Hazard and Safety Strategy"

Hazards might include:

- Tornado
- Hazmat
- Earthquake
- Tsunami

Safety Strategies might include:

- Evacuate to shelter area
- Seal the room
- Drop, cover and hold
- Get to high ground

Students are trained in:

- Appropriate Hazards and Safety Strategies

Adults and staff are trained in:

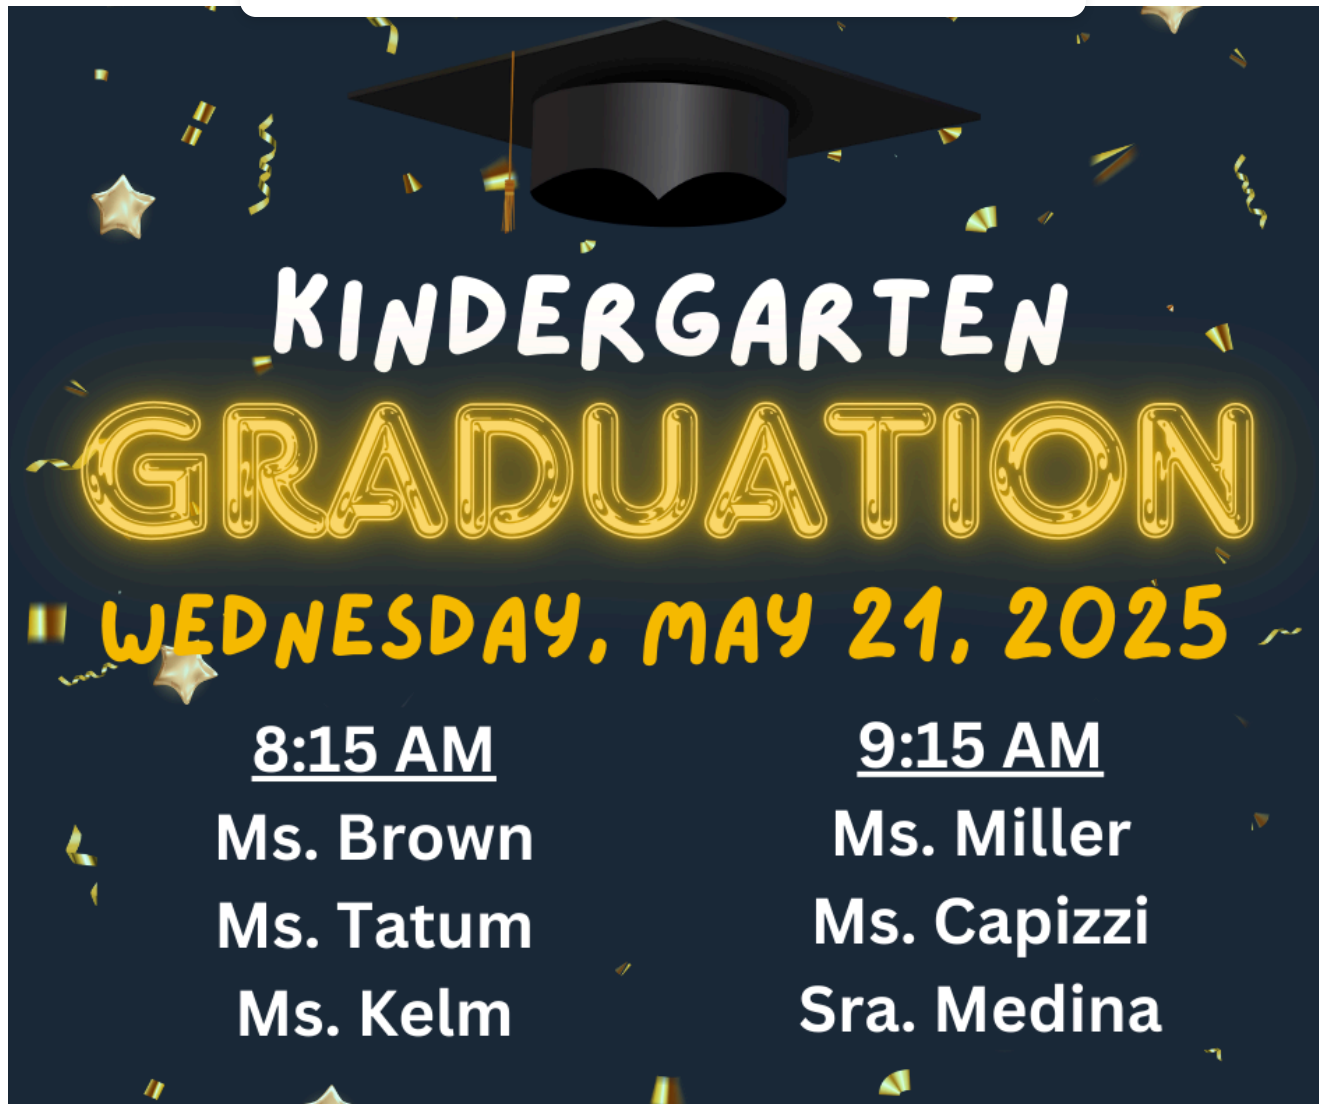

- Appropriate Hazards and Safety Strategies
- Accounting for students and adults
- Report injuries or problems using Red Card/Green Card method.

Battleships

Battleship is a classic game that is fantastic practice for coordinates.

What you need to play:

Some sheets of paper
Pens or pencils

How to play:

- Each player draws out a grid with A – J along the bottom and 1 – 10 up the side.
- They then plot ships of various sizes on the grid by colouring in the squares:
 - One ship five squares long (the aircraft carrier)
 - One ship four squares long (the battleship)
 - Two ships three squares long (the cruiser and submarine)
 - One ship two squares long (the destroyer)
- The first player 'shoots' by calling out a grid reference, e.g. B3. If it hits an empty square, the other player shouts, 'miss!' whilst the first player draws a cross, but if it hits a square with a ship in it, they have to shout 'hit' and the other player draws a dot. Each player keeps track of their hits and misses on a separate grid.
- Once a player hits all the squares for a ship, the ship then 'sinks'. The winner is the one to sink all the other person's ships first.

Acorazados

El acorazado es un juego clásico que es una práctica fantástica para las coordenadas.

Qué necesitas para jugar:

Algunas hojas de papel
Bolígrafos o lápices

Cómo se juega:

- Cada jugador dibuja una cuadrícula de la A a la J en la parte inferior y del 1 al 10 en los laterales.
- A continuación, dibujan barcos de distintos tamaños en la cuadrícula coloreando las casillas:
 - Un barco de cinco casillas (el portaaviones)
 - Un barco de cuatro casillas (el acorazado)
 - Dos barcos de tres casillas (el crucero y el submarino)
 - Un barco de dos casillas (el destructor)
- El primer jugador «dispara» diciendo una referencia de la cuadrícula, por ejemplo B3. Si acierta en una casilla vacía, el otro jugador grita «¡falló!» y el primer jugador dibuja una cruz, pero si acierta en una casilla en la que hay un barco, tiene que gritar «acertó» y el otro jugador dibuja un punto. Cada jugador lleva la cuenta de sus aciertos y fallos en una cuadrícula aparte.
- Cuando un jugador acierta todas las casillas de un barco, éste se «hunde». Gana el que consigue hundir primero todos los barcos de los demás.

1st Grade Updates

This week, first grade is finishing up the end of year testing through iReady. Please remind your student the importance of taking their time and showing their best work. We want to see the growth they've made throughout our school year! We will be finishing out the year with reviewing different material we've learned from reading with fluency and comprehension to adding and subtracting with numbers to 20. Thank you for all your support this school year. Have a great week!

2nd Grade Updates

Good afternoon,

We've had an AWESOME week in 2nd grade! This week, students began taking their I-Ready math and reading assessments. In reading, students have continued to explore nonfiction text and work on responding to what they read by completing different exit tickets. Ask your student about the books we've read in class this week. In writing, students have been working on identifying the difference between facts and opinions. Students have enjoyed working with shapes and starting to learn about fractions in math. In science, students have been learning how some plants depend on other living things such as wind water for pollination and to move their seeds around. Social studies has been filled with reviewing and completing our last assessment about cultural celebrations. Ask your student what they enjoyed learning about most this week!

Have a WONDERFUL weekend!

3rd Grade Updates

Math: In math this week we will investigate fractions and identify parts of a fraction. The focus TEKS are 3.3C and 3.3A. Our homework will be focused on representing fractions using concrete and pictorial models.

Science: In science this week we will continue studying force and motion. We will be investigating pushes, pulls, magnetism, and gravity. Our focus TEKS for this week are 3.7A and 3.7B.

ELAR: We will conclude our unit on The Solar System this week as we will plan, draft and finalize our narrative writing about life in space. Our main TEKS for the week will be 3.11B

4th Grade Updates

This week in 4th grade, we finished up all end of the year diagnostics! Parents can expect these reports to go home next week. If you do not receive it by next Wednesday, please let your child's teacher know and we will send you a PDF copy through ParentSquare! Students showed as much
