

Item of information on Collegiate Edu-Nation

May 13, 2024

1. Background: Representing Collegiate Edu-Nation is Dr. Rachael McClain. Dr. McClain is the Chief of Staff for [Collegiate Edu-Nation](#) (CEN), an organization that supports rural Texas school districts. Dr. McClain is presenting information on the Rural P-20 Systems Model and the collaboration between UCISD and CEN. This model supports our efforts to implement high quality instructional material K-12.

2. Process: CEN will be our partners for the TEA Cycle 2 Learning Acceleration Support Opportunities (LASO) Grant UCISD was recently awarded, through which districts are required to select a TEA approved partner with which to work. The LASO Grant will impact Batesville School and Morales JH in the 24-25 school year, then affect Uvalde HS in the 25-26 school year, as we implement the Rural P-20 Systems Model.
