Ms. Laureen Sherling  
548 Indian Trail  
Round Lake, IL 60073

Dear Ms. Sherling,

The Mid-Valley Special Education Cooperative Executive Advisory Board has accepted your generous donation of many tubs of yarn and knitting looms. I wish to express our gratitude for your contribution to our organization and I know that your donation will be put to very good use. The students in the New Directions program have a knitting group and make hats for newborns at the hospital or to donate to needy families. They also sell their hats for fundraisers in order to keep the project going. Your donation will allow the students to focus on their giving, rather than fundraising. We truly appreciate your thoughtfulness in providing the donation.

Sincerely,

Carla Cumblad, Ed.D.  
Executive Director
