Date

# Non-Profit/Community Service Learning Site Application

If submitting an application for a place of worship, the service activities must provide a service that extends beyond serving members (e.g., setting up for a service). The activity must serve the community at large and not just the members of the place of worship.

Academics Plus Charter Schools, Inc.

600 Edgewood Dr. Maumelle, AR 72113

Phone:501-803-9730

Fax:501-803-9742

Your name \*

Josh Joyce

---

Your email address and/or phone number \*

josh.joyce@att.net

---

Name of the Non-Profit/Community Organization \*

Illuminating Engineer Society of North America Little Rock Section

---

Website of Non-Profit/Community Organization (write "n/a" if not applicable) \*

<https://littlerock.ies.org/>

---

Address of the Non-Profit/Community Organization \*

120 Wall Street, 17th Floor, New York, NY 10005

---

Phone Number of the Non-Profit/Community Organization \*

212-248-5000

n/a

---

Staffing/Number of Employees \*

20

---

Number of Volunteers \*

15

---

Identify the non-profit/community organization personnel who will supervise student volunteers. \*

Josh Joyce

---

Does your organization maintain liability insurance for volunteers? \*

No

Do staff members or volunteers who would be working directly with students undergo background checks? \*

No

If no, provide details of your procedures and policies to ensure the safety of student volunteers. \*

Volunteer numbers are kept low to allow a minimum of one active member to directly supervise each volunteer.

---

Untitled Section

Does your organization have sites at other locations? \*

No

If yes, where? \*

---

What is the mission of your organization? \*

to improve the lighted environment by bringing together those with lighting knowledge and by translating that knowledge into actions that benefit the public

---

What service(s) does your non-profit/community organization provide? \*

establish standards for the lighting industry, provide education to the engineering and architecture community, support STEM related programs.

---

Describe the volunteer activities students would participate in with your organization. Be specific. For example, write, "stock and organize cans in food pantry for community members" instead of "help in food pantry." \*

Provide general assistance for annual fundraising events.

---

### Curriculum Connections

The activities that students complete may connect to what they're learning in school. Select the curriculum connections that your organization may reinforce. Select all that apply. (Adapted from the Maryland Student Service Alliance)
