You Are Admitted! Let's Get Started!

Hello Nikki,

Congratulations! You are officially admitted to Texas Teachers, the most successful certification program in the state!

Want to teach as soon as possible? Follow our proven strategy!

Every year thousands of our interns start their teaching career, and we want to help you be next.

Follow these steps to make sure you're eligible to teach as soon as possible!

- **Make your upfront payment**

After making your low upfront payment, you will be able to register for the state content exams and begin your Texas Teachers pedagogy (teacher) training. You will be granted immediate access to all the resources and support we offer to ensure you are eligible for hire this year.

Remember, after making your upfront payment you can complete your testing and training in any order!

- **Pass your selected content test(s)**

Become Highly Qualified. Pass your state content exam to become "Highly Qualified" (HQ). The HQ designation is the gateway to applying for positions in your chosen certification areas. All school districts will verify your Highly Qualified status when interviewing. The more tests you pass, the more positions you can apply for!

Review our study resources. Click the "Study" tab on our State Tests page, and take advantage of the Online Study Community and free state prep guides. We highly recommend purchasing a study guide from one of the listed private test prep companies.

Register for your test(s). On the same page, click on the "Register" tab to learn how to register for tests at an ETS testing center.

- **Complete your Field Based Experiences (FBEs)**
