ESSR III ARP Funds

On July 1,2021 ISBE made an ESSR III (ARP) grant available. There is more accountability and a few restrictions on this funding.

1. We have to seek public input on "A Safe Return to In-Person Instruction Plan.
2. We have to post the plan on our website.
3. We have to create an ESSR use of Funds Plan and post on the website, and submit it to ISBE.
