Re: Athletic Director Report Dec, 2019

Winter sports are in full swing.

Girls Basketball-

The Varsity Girls Basketball team is currently 0-5. The girls have a very difficult pre season schedule. They have a total of 38 girls out for basketball, which is up by 17 players from last year at this point.

Boys basketball-

The Varsity Boys Basketball team begins their season this week, having three games. Playing in the state championship football game has put our varsity basketball team way behind everyone else, due to lack of practice. Today was their 7th practice; most teams had their 10th practice in before Thanksgiving break. I am expecting them to be in full swing and full health by Christmas break. We have 30 boys out this year for basketball. This number is down 5 kids from last year. Coach Long has done a great job installing a program-wide system for all programs to run.

Wrestling-

The Wrestling team has its first competition on Saturday, it is a girls only tournament hosted by Homedale at NNU. Coach Levinski has 20 kids out for wrestling this year. The time he is putting into the program is paying off. All of the kids respect him and work really hard for him. We also have six girls out this year, which is awesome.

Looking forward to this Winter sports season!!!
