Audit Update Report

Mrs. Linda Pannell

The 2012-2013 Financial Records for the school district will be closed on October 15th and ready for the audit to begin shortly after that date. The requests for an audit quote have been mailed to firms that we know perform school district audits. The requests are due back to our office on October 16th. At that time, we will determine the lowest and best proposal and consult with Dr. Loden. If the firm selected can begin, please allow Dr. Loden to authorize the audit to begin before the November 19th Board meeting.
