

BP 1330 USE OF SCHOOL FACILITIES

Note: [A.S. 14.03.100](#) authorizes boards to grant the use of school facilities for lawful gatherings and assemblies and mandates that boards adopt written bylaws to ensure reasonable and impartial use of school facilities. If challenged, the district should be prepared to legally defend the reasonableness of its rules. The following sample policy may be revised to reflect local philosophy and needs. The district should be able to provide supporting rationale for its policy/regulations; that is, the policy/regulations must be deemed to be “reasonable.”

Note: ~~Under the No Child Left Behind Act of 2001~~ [Pursuant to the Boy Scouts of America Equal Access Act](#), districts that make their premises and facilities available for use by youth and community groups must apply that policy equitably to all groups, including the Boy Scouts or other affiliated groups. Specifically, schools are prohibited from denying equal access to school facilities to the Boy Scouts or any other youth group “for reasons based on membership or leadership criteria or oath of allegiance to God and country.” According to Alaska’s uncodified law, a school district that violates this law risks losing state funding.

The School believes that the schools belong to the citizens of the community and that community use of the school facilities fosters understanding and support for school programs.

(Optional: The School Board recognizes that when schools encourage and welcome community elders during and after the school day, this supports continued learning opportunities between youth and older generations.)

The School Board shall make school facilities and grounds available to citizens and community groups for lawful gatherings and assemblies to the extent that such use serves the interests of the citizens and does not conflict with school or district purposes. The Superintendent or designee shall establish administrative regulations governing the reasonable and impartial use of school facilities and grounds by community members or groups.
