

**To:** Board of Education

**From:** Corrina Horton

**Re:** Board Report

**Date:** February 5, 2025

Routing and Bus Assignments

- We have successfully split a special needs route making the time these students are away from home much less every day.
- We are excited that we have been able to build the number of routes from 14 at the beginning of the year to 16, which started in the month of February.

Staffing

- We are continuing to hire drivers and monitors as well as sub drivers and sub monitors.
- We are interviewing mechanics for the Head Mechanic position.
- We have a few drivers who have shown interest in helping in the garage to do small repairs on the buses.

Garage Operations

- While regular maintenance may be slightly behind schedule due to our mechanic void, we have enough buses to continue running the routes as scheduled. As previously stated, our current drivers are stepping up to help keep our transportation fleet running smoothly.

Respectfully,

Corrina Horton, Transportation Supervisor  
Chelsea School District
