

FROM THE PRINCIPAL

Dear Parents and Community Members,

This annual report card issued by ODE offers a comprehensive picture of what Garibaldi Grade School offers to students and families. In 2016-2017 we set high goals for our students in reading, writing and math. Although we didn't meet all of our goals, we are continuing to look at how to improve what we are doing each and every day. One of the ways we do this is by providing high quality professional development in those content areas. We look forward to partnering with you over the coming year to help us continue to achieve success and growth for our students.

Thank you,

Principal | Janmarie Nugent

The Oregon Department of Education (ODE) will not assign summative, overall ratings to schools on the 2016-17 report cards given the upcoming implementation of the Every Student Succeeds Act (ESSA) in 2017-18. However, the ODE will report indicator ratings (e.g., achievement, growth, graduation, etc.) for each school and student group on the 2016-17 Report Card (RC) Rating Details reports. These reports are accessible at <http://www.oregon.gov/ode/schools-and-districts/reportcards>. For more information about ESSA and the redesign of the school and district report cards, please visit <http://www.oregon.gov/ode/rules-and-policies/ESSA>.

SCHOOL PERFORMANCE

Performance of students enrolled in the school for a full academic year

Did at least 95% of the students at this school take required assessments? Yes No, Interpret Results with Caution
Participation rate criteria are in place to ensure schools test all eligible students.

The Smarter Balanced and alternate assessments have four performance levels where levels 3 and 4 are meeting the standard for school and district accountability.

2014-15 was the first operational year of the new English language arts and mathematics assessments.
