

**GOVERNING BOARD AGENDA ITEM
AMPHITHEATER UNIFIED SCHOOL DISTRICT NO. 10**

DATE OF MEETING: July 9, 2019

TITLE: Approval of School Facilities Board (SFB) FY 2020 Capital Plan

BACKGROUND:

Per A.R.S. §15-2041 C districts are required to submit a Capital Plan to the School Facilities Board by July 1 of each fiscal year to request monies from the New School Facilities fund if the capital plan indicates a need for the construction of a new school, or an addition to an existing school within the next four years (through FY 2024), or a need for land within the next ten years (through FY 2029).

The District does not have projected student growth sufficient to justify requesting a new school be built by the School Facilities Board.

Attached is a copy of the School Facilities Board FY 2020 Capital Plan, which is to be submitted yearly to the Governing Board for approval.

RECOMMENDATION:

It is the recommendation of the Administration that the FY 2020 Capital Plan be approved by the Governing Board.
