

Geneva CUSD 304 Building Use Report

11 June 2012

The following was information requested by Board Member Stith in regard to the use of our buildings. Please note that we study the use of our buildings by educational programs and by student enrollment.

Item 1 indicates the total number of classrooms in the Building.

Item 2 indicates the number of classrooms used daily as 'traditional' classrooms.

Item 3 indicates the number of classrooms used daily by Mid-Valley Special Education Cooperative as a 'traditional' classroom.

Item 4 indicates the number of classrooms used for programs such as ESL, Kindergarten Booster, OT/PT, reading tutoring, Foundations, Social Work, A&E, etc.

Item 5 indicates how many classrooms are available on a daily basis.

Item 6 indicates the number of students at that school as of May 14, 2012.
