Good Things at PJHS

- Students and staff enjoyed viewing the Solar Eclipse last week.
- Mr. Miller's Money 101 class participated in the Illinois Bankers Stock Market Game last quarter and placed 2nd in the Land of Lincoln Region for the Spring Competitive session. Each student will receive a certificate and medal.
- State Testing is completed for the year. As an incentive to work hard, students earned Monopoly pieces to place on their homeroom classes gameboard. Classes that got a set of properties won a prize for the class and their teacher. Prizes range from Assignment Passes to an Ice Cream Party for students and Bus Duty coverage to an Amazon Gift Card for teachers.
- We are in the process of scheduling students for the 2024-2025 school year. This year we will have students choose their Elective class before the end of the year so when they receive their schedule for the school year it will have all classes for the entire

year listed. In the past, students have selected Elective classes a few weeks before the next quarter. This change will help streamline the scheduling process.
