Re: Approval of Summer 2022 Stevenson Tennis Courts Project – Sinking Fund

I would like an opportunity to share with the Board of Education information on the Stevenson High School Tennis Courts Project. The bid opening for this Sinking Fund project occurred on the afternoon of Wednesday, February 9, 2022 and post-bid interviews were conducted by LPS, PMC, and Foresite Design on February 10.

The recommended low responsible bidders are Nagle Paving Company in the amount of \$733,960.00 and Nationwide Fence & Supply Company in the amount of \$164,177.00. We are recommending an 8% contingency amount of \$71,851 for a total Board approval amount of \$969,988.00. Recommendation letters from PMC and Foresite Design are attached.

Please add this request to the agenda of the Monday, February 14, 2022, Committee of the Whole Meeting.
