Date: March 28, 2005

SUBJECT: DESIGN DEVELOPMENT FOR NEW MIDDLE SCHOOL AND NEW INTERMEDIATE SCHOOL

**BOARD GOAL: Safe Schools
Budget and Finance**

FISCAL NOTE: Bond Funds

**ANTICIPATED
DATE FOR ACTION: April 11, 2005**

Background Information:

- Middle School
 - VLK Architects are working with staff and administration to develop a design for a new middle school located on district owned property on Keller Hicks Road. We will be bringing site plans and floor plans for Board review and approval in April.
- Intermediate School
 - Hahnfeld Hoffer Stanford Architects are working with staff and administration to develop a design for a new intermediate school located on district owned property on Keller Hicks Road. We will be bringing site plans and floor plans for Board review and approval in April.

Administrative Considerations:

- Both plans are site adapts of the existing middle/intermediate school floor plans.
- Off-site cost for roads could be a major factor.
- The schedule calls for completed plans June 1, 2005.
