Principal Misner's Message.....

After you have enjoyed a Spring Break with your kids, we are happy to take them on an action packed adventure for the remainder of the school year. The best North Valley highlight of the year is the outstanding academic performance of the graduating class of 2013. We have multiple Co-Valedictorians and a Salutatorian who lead a very strong collection of students who will be attending a wide range of colleges and universities. The performance of the class of 2013 may be the very best in the district and is certainly the best of any I can recall. So, Congratulations to the students and parents of our Senior Class.

We are the local host of Academic Masters on May 1. Greg Patch, Rob Moeny and our office manager, Stephanie Phillips are organizing an evening to highlight the best and brightest students from the 4 public high schools in Josephine County. Students will be competing for \$16,000 in cash prizes for their performance in 5 academic areas. You are cordially invited to see our kids as they perform their scholastic process.

Our Boys Basketball team got incredible recognition to go along with their State Championship. Coach Jeff Nelson was named the 4A Coach of the Year, Kevin Brazille was Player of the Year, JJ Chirnside was 1st team All-State and Cameron Lyon was 2nd team All-State. Our team had the #1 academic ranking of all 16 teams in the State Championships.

During our last trimester we ask our students to showcase what they have accomplished in class this year. We will have Scholarship night, Free Design, Sweet Speeches, more music and talent, Mr. North Valley and Senior SuperStars. I invite you to see what our kids are capable of doing and celebrate their success in school.

We are beginning the process of making a master schedule so that students can register. More information for parents and students will be available after May 1. Our goal is that all students who will be in the 10th, 11th and 12th grade next year will leave for summer with their 2013-14 schedule in hand.

Please encourage your students to stay committed to and involved in their classes as summer approaches. In short, encourage them to finish strong, finish well.

Thank you once again for the privilege of serving the North Valley Community.

— Dennis Misner, Principal

Boosters.....

Spring break, are you kidding me. For some of us spring break is a time that we try to do something with our kids. For others, it is that special time when the population of our houses doubles with teenagers and the mess left behind in their wake quadruples. As spring break ends I think there is one thing that we all did. We ask ourselves what happened to the first three months of 2013?

As the 2012-2013 school year enters its final 12 weeks or so, I felt it was time to pass on what you, as Knight families, were able to accomplish this year. Boosters is still on track to make its yearly average of \$22,000 for the school. We have supported girl's soccer, golf, baseball, bowling, band, basketball, and NV fans with a few other projects. This is only possible with the support and dedication of you.

On a personal note, this year also marks our last year leading Boosters for my wife and I. We will both hang around during our son's senior year but my wife will be helping with the senior class activities and I am running for Three Rivers School Board this May. I will be asking you for your continued support with the election. It has been an incredible ride for both of us. We have made so many new friends and strengthened friendships through the Boosters organization, but after six years we feel it is time to step down and help the new members of the executive board next year.

April 17 is our elections. Of course, all positions are open but we do not have nominations for vice president or president. We are also looking for someone interested in memberships. I understand that these titles may be intimidating but the jobs are enjoyable and rewarding.

If you have any questions or are interested please call me at 659-2360 and I will be happy to talk to you. Just to reiterate we are stepping down but have no intentions of leaving anyone overwhelmed.

It has been an incredible ride and we thank you all, members or not, we appreciate the support of the Boosters organization as well as Angie and I.

HOST AN EXCHANGE STUDENT

Are you looking for an exciting, educational, cultural experience? Why not host a student from another country. You select the country of choice, common interests, and gender; we'll find a foreign exchange student who is a compatible match. Whether you have children in school or not, empty nesters, grandparents; we're looking for families who would like to gain insight into other cultures and languages, and make a difference in a young person's life by hosting them in the United States. I'm here to support you and your exchange student during the whole process and stay.

PLUS - can't host yourself but know of someone? I will donate \$200 to the charity of your choice for each referral that leads to a successful placement. Contact: **Suzanne Lavine, Northwest Student Exchange, Academic Coordinator** suzlavine@outlook.com, 541-862-2507.
