Summary:	<p>Students from Cedar Hill High School have advanced to the Texas SkillsUSA State Competition in Nursing, Culinary Arts, and Graphic Design. These students demonstrated outstanding technical skills, creativity, and professionalism while competing against students from across the region. Their advancement reflects the continued success of the district's Career and Technical Education programs and the dedication of both students and teachers in preparing learners for college, career, and industry success.</p> <p>Students from Cedar Hill High School and Cedar Hill Collegiate High School advanced to the national level of competition through Business Professionals of America (BPA), held in Nashville, TN. This accomplishment reflects the students' dedication, professionalism, and commitment to excellence in Career and</p>				

Technical Education (CTE) programs. Through BPA, students engage in leadership development, business, finance, technology, and workplace skill competitions that prepare them for college and career success.

The district would also like to recognize BPA advisors Ms. Jackie Fields and Mr. Byron Guyton for their leadership and continued support of the students through the process.
