G. Consider Approval of the Amendment to the CORE Contract regarding the addition of Lacy Enrollment Center to the list of projects covered by the Contract

**Presenter or Contact
Person:**

Executive Director of Operations Josh Skains

Policy/Code:

CH (LEGAL) (LOCAL)

Summary:

On July 22, 2024, the Board approved CORE as the Construction Manager at Risk for the 2024 Bond Program. During a recent review of the contract, it was identified that the Lacy Enrollment Center project was inadvertently omitted from the original agreement. There is no change in cost associated with this amendment; it simply updates the scope to reflect all intended 2024 Bond projects.

Recommendation:

The Administration recommends the Board approve the amendment as presented.

Recommended Motion:

I move to approve the amendment to the AIA A133 Contract with CORE Construction Services adding the Lacy Enrollment Center to the project description.
