

## INFORMATION ITEM

# HQIM Instructional Materials Review

*Mathematics | SHS & SJHS*

---

### OVERVIEW

## SpringBoard → McGraw Hill: Exploring Newly Adopted HQIMs

The high school's SpringBoard math curriculum has transitioned to McGraw Hill, creating an opportunity to evaluate newly state-adopted HQIMs aligned to TEKS and STAAR. To ensure vertical alignment, Smithville Junior High School (SJHS) is conducting the same review simultaneously.

### KEY DATES

#### NOW – JAN

##### Public Review & Campus Evaluation

Committee members evaluate using HQIM rubric, conduct sample lessons & gather campus staff feedback.

#### FEBRUARY

##### Rubrics & Recommendations Due

All committee rubrics and campus recommendations compiled and submitted for final committee review.

#### MARCH 23

##### Board Approval

Board of Trustees votes on final instructional materials recommendation at the March 23 board meeting.

In accordance with Board Policy EFAA, district administration will present its final recommendation for board approval on March 23, 2026.
