Dr. Derek Citty  
Aledo Independent School District  
1008 Bailey Ranch Road  
Aledo, Texas 76008

Dear Dr. Citty:

It is time once again for taxing units in the Parker County Appraisal District to select appraisal district directors. A board of five directors governs the appraisal district by establishing policies and procedures for the district's organization and operation. These directors will serve a two-year term beginning January 1, 2016.

The Texas Property Tax Code requires the Chief Appraiser to conduct the selection process. The following steps outline the Chief Appraiser's duties in this regard: **(These dates are directory and not mandatory)**

- |                    |  |
|--------------------|--|
| By October 1       | Notify each taxing unit entitled to participate in the selection process of the number of votes it may cast and request candidate nominations. |
| By October 15      | Receive director nominations from each voting tax unit.  |
| By October 30      | Prepare and deliver a ballot listing all nominees to the presiding officer of each voting unit.  |
| Before December 15 | Taxing units determine its vote and submits by resolution to the Chief Appraiser.  |

To be eligible to serve on the board of directors, a person must be a resident of the appraisal district and must have resided in the district for at least two years immediately preceding the date of taking office. An employee of a taxing unit is prohibited from serving as a director unless the employee is also an elected official or member of the governing body of a taxing unit that participates in the appraisal district.

The following persons currently serve on the Parker County Appraisal District board of directors: Warner Killough, John Hinton, Steve Harris, Gary Aguillard, David Fischer.

NOTE: After 22 years of service, Warner Killough has indicated that he does not wish to serve another term.

The first step in the selection process requires the Chief Appraiser to calculate and notify each voting taxing unit of the number of votes it is entitled to cast. The number of votes allocated to a voting taxing unit is based on the ratio of its 2014 tax levy to the total tax levy of all voting units. The voting entitlement is shown below:

Taxing Entity	Number of Votes
Aledo ISD	895
Azle ISD	275

Each voting tax unit may nominate one candidate for each position to be filled. Thus, your unit may nominate from one to five candidates. Nominations must be made in an open meeting and the presiding officer must submit the names of the nominees by written resolution (sample resolution enclosed) to the Chief Appraiser by October 15, 2015. **(This date is directory and not mandatory)**

**Please put this important item on your board meeting agenda, keeping in mind that nominations must be received by October 15, 2015 or very soon thereafter.**

The quality of the property tax system in Parker County depends to a great extent on the appraisal district board of directors. Please consider your nominations carefully so that the Parker County Appraisal District can continue to provide the level of service the taxpayers and taxing units deserve.

Sincerely,

Larry Hammonds  
Chief Appraiser
