Section winners will compete at District on March 7th.

PHS Graduation Date will be Friday, May 31st.

Pana High School's Academic Challenge (Formerly WYSE) team competed Friday, February 1st in the Lake Land College regional Academic Challenge competition. The name has changed to Academic Challenge instead of WYSE. University of Illinois stopped their affiliation with the event but kept the name WYSE to use for other outreach programs. Eastern Illinois University has now taken over the event, renamed it, and is also hosting the state meet. Our students competed in the division 700 contest (there are 3 divisions, 300, 700, and 1500 which are based on school enrollment). When we left the regional event, they did not have scores for the 700 division for the team totals so we are still waiting on those and to see how our students performed individually. We do know that Mason Mizeur (2nd in Physics) and Lucas Dudit (1st Physics, 1st in Engineering Graphics) qualified for the sectional which will be held at EIU.

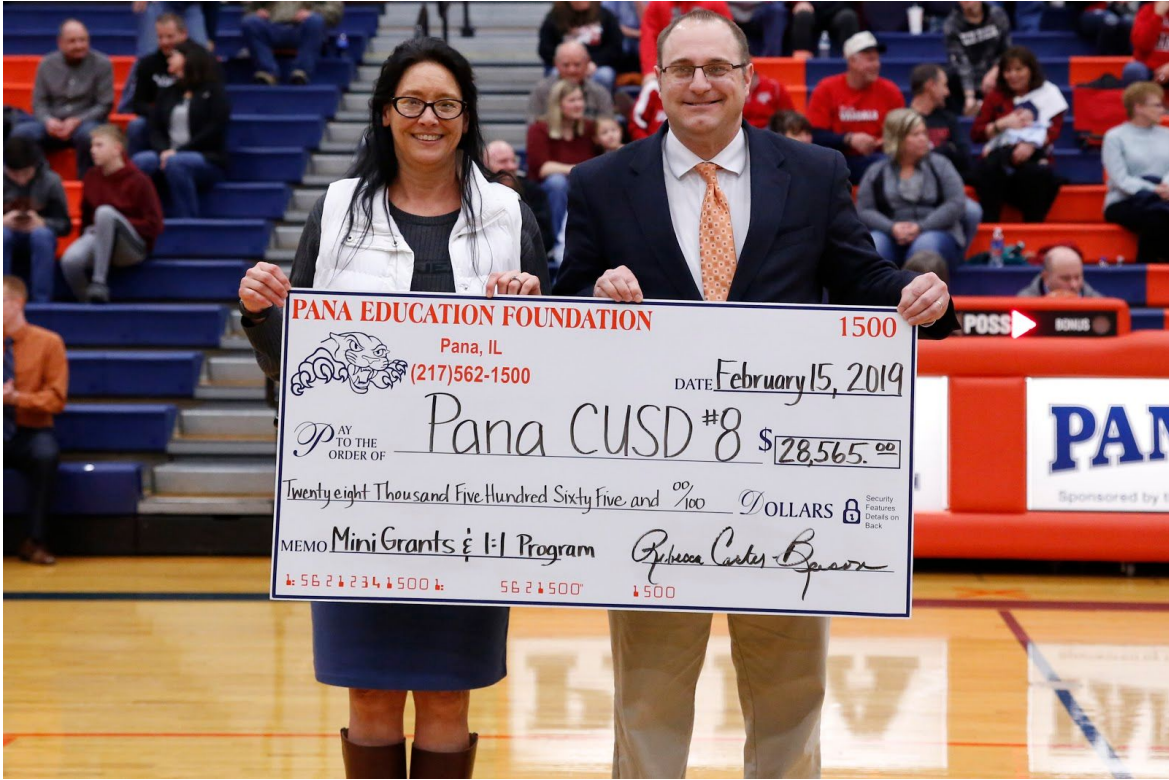

2019 Academic Challenge Team

Mason Mizeur (2nd in Physics) and Lucas

Dudit (1st Physics, 1st in Engineering Graphics)

PEF presents the 2018-2019 donation check to Pana CUSD #8 during the last home Boys Basketball game.
