

Meeting Date: December 19, 2024

Submitted By: Daniel Brooks
Title: Assistant Superintendent

Agenda Item: Discussion and possible action regarding approving attendance lines and campus boundaries.

DISCUSSION/ACTION ITEM

RECOMMENDATION:

It is recommended that the Board of Trustees approve the recommendations of the new district attendance lines and campus boundaries.

IMPACT/RATIONALE:

These recommendations will balance student enrollment, address capacity challenges, and position Judson Independent School District to better support academic programs and operational efficiencies.

BOARD ACTION REQUESTED:

Approval/Disapproval

2025-2026 Attendance Zone Recommendation Summary

Elementary Schools

1. Rolling Meadows ES

- Entire Retama Springs subdivision at Kentucky Ridge to include a smaller subdivision south of Retama Springs at Lookout Rd near Creekside Hill rezoned to Selma ES (44 students).

2. Coronado Village ES

- Relocate all admin, staff, and students to Selma ES.
- Dual Language program moves to Selma ES.

3. Wortham Oaks ES

- Sunset the Spanish Immersion (SI) Program after all the currently enrolled SI students complete the program.

4. Attendance Zone Adjustments

- Copperfield ES: A portion of Copperfield ES rezoned to Converse ES that would include 95 students in a triangular area including South Seguin Rd, North Seguin Rd/Kneupper Rd, and FM 78.
- Escondido ES: A portion of Escondido ES rezoned to Eloff ES that would include 245 students located south of Walzem Rd to include the Norte 8833 Apartments and two subdivisions named Liberte Preserve and Liberte Creek.
- Olympia ES: A portion of Olympia ES was originally recommended to be rezoned to Selma ES that would include 45 students located south of I-35 to remain at Olympia ES. However, an amended recommendation is to allow those 45 students to remain at Olympia ES. (32 students net going to Selma ES from Rolling Meadows ES)

Middle Schools

1. Candlewood ES
 - Move from Metzger MS feeder pattern to Kirby MS feeder pattern.

2. Park Village ES
 - Move from Kirby MS feeder pattern to Woodlake Hills MS feeder pattern.

3. JSTEM
 - Relocate to Kitty Hawk MS.

High Schools

1. Wagner HS
 - Feeder schools: Kirby MS and Metzger MS

2. Judson HS
 - Feeder schools: Judson MS and Woodlake Hills MS

3. Veterans Memorial HS
 - Feeder schools: Cibolo Creek ES and Kitty Hawk MS

RECOMMENDATION

Agenda For Tonight:

Address future growth and rezoning needs for Judson ISD.

- Focus Areas:
 - Opening of Cibolo Creek Middle and Selma Elementary School.
 - Comprehensive district-wide rezoning recommendation.

Growth and Planning Process

- Process:
 - Multiple meetings held during 2024-2025 school year.
 - August 16th
 - September 23rd
 - October 28th
 - November 6th
 - Collaborative review of data and plans provided by the demographer.
 - Group discussions to analyze rezoning scenarios.

Demographer's Key Presentations

1. District Housing Trends:
 - New home developments.
 - Multi-family apartment unit growth.
2. Current and Projected Campus Enrollments:
 - Student population growth forecast over the next decade.
3. Proposed Attendance Boundaries:
 - Starter plans for elementary, middle, and high school rezoning.
4. Facility Usage Discussion:
 - Capacity considerations for all campuses.

Rezoning Plans Overview

- Two Starter Plans Presented
- Address elementary, middle, and high school attendance boundaries.

Analysis Process:

- Committee divided into groups to evaluate each plan's impact.
- Consideration of enrollment balance and community input.

Committee Recommendation

- Plan 2 Selected:
 - Best meets the district's growth and attendance needs.
 - Ensures equitable student distribution across campuses.
- Next Steps:
 - Present Plan 2 to the school board for review and feedback.

Conclusion

- The district's comprehensive rezoning effort supports:
 - Strategic planning for long-term growth.
 - Efficient use of new and existing facilities.
- Board's Role:
 - Review Plan 2 and provide direction moving forward.

Additional Suggestions from the Growth and Planning Committee

While not adopted, the committee also considered the following ideas:

1. Closing Judson Early College Academy (JECA):
 - Redistribution of students to other campuses.
2. Closing Judson Middle School:
 - Potential consolidation of resources and students.
3. Designating Cibolo Creek Middle School as a STEM Campus:
 - Specialized programming focused on science, technology, engineering, and mathematics.
