- C. Vacation days must be approved by the Superintendent and should be taken at times most easily assimilated by the District.
- D. Not more than ten (10) unused vacation days accrued in **the previous school years may be carried forward beyond June 30 August 1** of the next fiscal year.
- E. No more than thirty (30) unused vacation days will be paid to an administrator who is leaving the District. This must be recommended by the Superintendent. **Payment for unused vacation days will be made to an administrator after he/she has left employment in the District.**
